NUMBER 271

WILSON COVERS LARGE SCOPE OF DOMESTIC SUBJECTS IN ADDRESS TO EXTRA CONGRESS

RECOMMENDS REPEAL OF WAR TIME PROHIBITION AS TO WINE AND BEER

URGES RETURN OF RAILROADS AND WIRES TO OWNERS AT END OF CALENDAR YEAR IF POSSIBLE

SHIFTS RECONSTRUCTION TO REPUBLICANS

PRESIDENT WILSON'S MESSAGE RECOMMENDS:

- Repeal or amendment of the war-time prohibition act in so far as applies to wines and beers.
- Creation of a federal agency of advice and information as a clearing house for suggested improvement of industrial conditions.
- Maintenance of the United States employment service.
- Repeal of the so-called "luxury tax."
- Adoption of the land-for-soldiers bill sponsored by Secretary Lane.
- Legislation to facilitate American enterprise in foreign trade.
- Reconsideration of federal taxes to relieve the burden particularly on productive resources, making incomes, excess profits, and estimates the mainstays of steady taxation.
- Against general revision of import duties, but for protection of the American dye industry.
- Adoption of the suffrage amendment.
- Return of the telegraph and telephone lines to their owners under more co-ordinated system.
- Return of the railroads under a more uniform system.

By ROBERT J. BENDER

(United Press Staff Correspondent)

WASHINGTON, May 20—President Wilson today called upon a Republican congress to legislate this session along lines that will insure greater co-operation between labor and capital.

The outstanding feature of his message read to both houses of Congress was his appeal that those who do the daily labor of the world "obtain progressive improvement in the conditions of their labor, be made happier and be served better by the communities and the industries which their labors sustains and advances."

The new interest between Capital and labor, he said, can be made operative and manifest only in a new organization of industry, and he urges business men and workers to "seek and sincerely adopt a common purpose" toward that end.

Regretting his inability to be present and his lack of familiarity with domestic conditions owing to the "duty" which keeps him at the peace conference, the President, in making his recommendations declares they must of necessity be "only in general terms." However, he specifically told Congress that he will return the telegraph and telephone lines as soon as the "re-transfer can be effected without administration confusion", and the railroads, he said, will be handed over to their owners at the end of the calendar year.

"It is clearly desirable in the public interests," he said, "that some legislation should be considered which may tend to make of these indispensable instrumentalities (wire lines and railroads) a uniform and co-ordinated system," that those who use them may be insured certain means of country-wide communication at uniform and intelligible rates.

These recommendations, however, had been looked for. The promised "surprise" of the President's message lay in his recommendation to congress to repeal or amend the war-time prohibition act.

By this action the President passes over to the Republicans the burden of upholding or rejecting the war prohibition question settled in favor of the "drys" by a Democratic congress.

Demobilization of the army, the President says has reached a point where the ban on intoxicants can be removed, insofar at least as it pertains to wines and beers.

The President advises against any "general" revision of import duties but counsels protection for the new American dye industry.

He urges revision of taxes so that the income tax, excess profits tax and the estate tax can be made to "yield constant and adequate returns, and yet not constitute a too grievous burden upon the taxpayers."

He urges repeal of many "minor" taxes including "the excises upon various manufacturers" and the taxes upon retail sales.

Tax revision should be made only after a most careful study of the whole problem, he says.

The President would maintain the United States employment service, co-ordinate the various agencies for conciliation and adjustment, create a new agency to act as a clearing-house for ideas to improve industrial conditions and reclaim western lands, in

INDIANA COUNTY RESIDENT KILLED AND CURWENSVILLE MAN BADLY HURT

Dean H. Rankin, of Purchase Line, Indiana county a well known farmer and stock dealer is dead and William McClure, manager of the Central Hotel, Curwensville, is a patient in the Clearfield Hospital, suffering from fracture of both legs and other injuries, as the result of the Pennsylvania passenger train which passed through Clearfield at 11 o'clock this morning dashing into the automobile in which the men were riding at the grade crossing in front of the Pennsylvania station at Curwensville.

Rankin, who is widely known throughout this region, was in Clearfield on business this morning and had reached Curwensville on his return journey just a few minutes previous to the accident.

He had stopped at the Central Hotel, and when he again started for home, Mr. McClure, having some business on the south side got into the car, a Hudson roadster, to ride that far with him. The crossing where the accident occurred is but a few rods below the hotel. The car was squarely across the track when the engine which had slowed down for the station, struck it. The force of the impact rolled the big machine over like a log two or three times and the terrified bystanders waiting at the station to the train, thought surely the men would be dead when taken from the wreckage.

Willing hands soon released the mangled bodies from the tangled mass and they were carried to the hotel, where Drs. King, Ake and Blair, gave prompt attention to their injuries.

Rankin was very badly cut and torn about the back and groin and suffered severely from shock. His death occurred within an hour after the accident.

McClure had both legs broken below the knees, but is otherwise in pretty good shape considering what he went through. He was brought to the Clearfield Hospital on the 1119 Pennsylvania train.

Mr. Rankin is one of the best known citizens of Indiana county. He has been a dealer in horses and cattle for many years and is quite well known in Clearfield. He was about 45 years of age and is survived by his widow and several children.

STOCK OPENINGS.

Prices were irregular at the stock market opening today. Trading was nervous and slow. United States steel opened at 102 1-4, up 1-8; Reading, 89 1-4, up 1-2; Marine 56, off 1-8; American Locomotive, 78 1-4, off 1-4; Bethlehem Steel B, 76 1-2 up 1-2.

SPANISH AMERICAN WAR VETERANS

All Spanish American War Veterans are requested to meet in the Council room Wednesday evening at 8:00 o'clock for the purpose of arranging for the coming reunion of the old Fifth Pennsylvania Volunteers.

Mrs. J. M. Roth, of Curwensville, was shipping in town yesterday.

order to help out the general program of making things better for those working and wanting work.

The President did not touch upon his work in Paris, except to say that it would be premature to discuss it until he could presently lay the whole matter before Congress in complete form. His sole reference to the league of nations in the message was to say that under its agencies of international counsel and suggestion on industrial problems had been created and it would be advisable to have a national body to do such work for the American workers and industry alone.

Hun Delegates Have Told What To Do

By FRED S. FERGUSON

(United Press Staff Correspondent)

PARIS, May 20—The German peace delegation has received its final instructions regarding the treaty it was believed today. Foreign Minister Brockdorff-Rantzau returned to Versailles from Spa yesterday with a definite policy according to reliable information. Just what transpired at the Spa conference is of course a mystery. It seems certain, however, that Germany will do one of three things—sign with as little thought as possible; sign after some of the present delegates have resigned to "save their faces"; or refuse to sign at all.

The general opinion appears to be that Brockdorff-Rantzau was told to sign. Most of the Allied delegates are now declared to doubt that the German treaty will not be signed before June 1. Others believe the treaty will not be signed before the middle of next month. The allies do not show any indication of softening the terms in the slightest degree.

NINE MEMBERS OF AMERICAN PEACE COMMISSION OFFER RESIGNATIONS

By LOWELL MELLETT

PARIS, May 20—Nine members of the American Peace Commission have offered their resignations as the result of dissatisfaction with the German treaty, it was learned today. Three of the resignations are said to be final. The others have been held in abeyance. Prof. A. A. Young, of Cornell University, Chief Economic Expert Dr. Isaiah Bowman, of New York, head of the Territorial Intelligence Division, and W. C. Bullitt, Expert on Russian Affairs, are said to be final withdrawals.

The names of the other six commissioners have not been made public pending further consideration by the Commission. The six are understood to have taken this action as an expression of disapproval of alleged compromises with the principles. The others, however, are unwilling to work longer.

FATAL ACCIDENT ATTENDS TRIP TO WRESTLING MATCH

While returning home from a wrestling match held at Blain City one man was killed and four injured, two probably fatally, when an automobile, in which they were riding, was struck by a freight train early this morning at the Blain City crossing of the Pennsylvania railroad. The dead: Wm. Paige, 23, head cut off. The injured: Bine Daisley, 30, internally hurt, condition critical; Edward Rineholtz, 32, injured internally, condition serious; Clyde Williams, 26, compound fracture of the right arm; David Brown, 18, compound fracture of the left leg. All the occupants of the automobile were residents of Boardman. Paige who was seated in the rear of the machine, was hurled directly under the wheels of a freight car.

CONGRESSMAN VAN DYKE DIES

ST. PAUL, MINN., May 20—Congressman C. C. Van Dyke, the only Democratic representative from Minnesota in Congress, died at 130 a. m. in Washington according to word received here.

I saw it in The Progress.

WILL ORGANIZE AMERICAN LEGION POST

Messrs. Guy Lawncal and Worrall M. Jones, Clearfield county representatives to the American Legion convention at St. Louis have issued a call for the organization of a post of the Legion in Clearfield. This meeting will be held in the arbitration room of the Court House on Wednesday evening, May 21st, at 8 o'clock, and all service men are urged to come and affiliate themselves with the new organization.

The aims and objects of the Legion will be explained by those competent to do so; in addition to the report of Every service man who can possibly do so should be present on this occasion. The Clearfield post is to be the Clearfield county unit and service men in all parts of the county are urged to attend.

NC-4 ARRIVES AT PONTA DELGADA

Wash. The NC-4 arrived at Ponta Delgada at 10:21 a. m. Washington time, the Navy Department was advised officially today. The plane arrived in good condition according to the dispatch.

HORTA AZORES, May 20—All three of the American seaplanes are now accounted for, for the NC-3, the missing flagship of the squadron, came into the harbor of Ponta Delgada, yesterday under her own power, after having been 37 hours and 50 minutes at sea.

Commander Towers and the crew were in good condition, but fagged out for lack of food, because the NC-3 had carried rations for only one day.

Mrs. W. A. Neff is visiting friends in Ridgway.

Mrs. John Barne and daughter, Ruth have returned from Williamsport where they spent some time with relatives.

Cedric Hill of Cherry Tree, is attending to business here this week. Ira Matthew, of Irvona transacted business in town today.

BOROUGH TAX RATE HAS BEEN RAISED TWO MILLS

EMERGENCY HOSPITAL AND LARGE EXPENSES NECESSITATE INCREASE IN REVENUE FROM TAXES

NEW PLAN FOR HIGHWAY DEP'T.

The regular semi-monthly meeting of council held in the borough building last evening was a very busy session. President Fletcher presided and nine of the twelve members answered present at roll call. Mayor Chase was also present and presented several propositions which he desired action upon.

Following the usual routine opening business the street commission rendered an account of activities of the street crew during the intervening two weeks, while Engineer Hess made report concerning sidewalk grades on Latimer and William street. On the latter street a first grade is being established and is meeting with the usual objections. The matter of this grade was referred to Highway department and Third Ward councilmen for investigation and report at next meeting.

The Engineer also reported progress on Fourth street relief drain and stated that this is a very big problem, as to just what to do in this situation, and there is grave necessity for relief from present conditions.

The report concludes "But we do find that the present 24 inch sewer drain has but some six inches of fall from Pine street to where it passes under the main track of the Pennsylvania railroad, discharging through a stone box culvert, built under the railroad, no doubt, back in '68 or when the track was first laid. This, with the bad laying and settling of this part of the pipe, back to Pine street, means that the existing drain carries only about one-half of what it should carry."

Borough Solicitor Urey presented ordinance providing for the paving with brick of the alley leading from Third street to the intersecting alley in the rear of the old Opera House site, two-thirds of the expense of said paving to be paid for by the property owners adjoining.

Messrs. A. H. Woodward, E. V. Brown, S. L. Driggs and R. M. Ellis were present and again asked that Locust street from Second to Fourth be paved with brick, now that it had become very much of a business street with its consequent heavy traffic. They presented a second petition from the property owners on the street. A great deal of discussion following the proposition and the matter of putting the paving project in Clearfield on the basis of the law now generally in operation throughout the state whereby one third of the cost of such paving is assessed against the abutting properties on each side of the street and the remaining one-third to be paid by the borough.

It was finally decided to direct the Engineer to make an estimate of the cost of paving Locust street and report at next meeting at which time the question of proceeding with the work and the plan of doing same could be decided.

The Highway department presented an innovation in their department when they recommended that a foreman be provided for each ward whose duty it would be to look after street work in his respective ward under the direction of the street commissioner. The idea of the Highway department is that under such a plan it would be possible to keep the dirt streets and sewers in better shape and would get quicker action on complaints from the different sections because on account of the growth and size of the town it is impossible for one man and one crew to get to all sections of the town at the time their services are actually needed. The

recommendation was unanimously adopted and will be given a trial.

The Finance Committee made their report and recommended that an increase of one mill be made in the Borough fund tax for the year, such increase being necessary at this time to provide for repayment to the bond fund of the \$5,000 borrowed from the latter fund to pay the Emergency Hospital expense. The matter of finances were discussed at length and when it was shown that the expense of council for last year were approximately \$15,000, and under the proposed millage not more than that sum would be raised this year it was unanimously decided that the millage and growing expenses and the repayment of the bond fund loan necessitated the addition of another mill of a tax. The millage for 1919 was then set as follows:

Borough fund 7.54 mills	\$220.57
Bond fund 5 1-4 mills	200.00
Light and water 1 mill	100.00
This makes a total of 15 mills borough tax on an increase of two mills over 1918.	
According to the Finance Committee report, which was read to council, the expenditures of the borough fund for 1918 were as follows:	
Street and sewer department	\$2455.90
Police department	\$700.75
Fire department	\$700.75
Engineering	\$200.00
Legal and office departments	\$1018.00
Stable department	\$1000.00
Emergency hospital	\$1000.00
Board of health	\$1000.00
Compensation insurance	\$500.51
Sundry miscellaneous	\$254.37

Total Borough expense for '18 \$12,179.94
Emergency hospital loan from bond fund 6,000.00

Grand total \$18,179.94

A petition for a sanitary sewer on North Fourth street, East End, was read and referred to Sewer department.

Burgess Chase asked that something be done toward opening or fixing up Fifth street and again demanded that some action be taken to force the Pennsylvania Railroad to do something toward improving conditions on Third street. The Highway department recited what has been done thus far but further action is insisted upon by the Burgess.

The question of paving of alleys in the business section was discussed generally and it was shown by the Highway department that council has already passed favorably upon the request of abutting property owners to pave approximately one thousand feet on different alleys and under the rule providing for two-thirds payment by the property owners if all these improvements are made this year the borough's share of the paving where brick is used on an ash base will be \$900, while if concrete slab is put down the borough's share would total \$1300.

HAD FOOT CRUSHED.

A New York Central brakeman, whose name is Joyce, and whose home is at Jersey Shore, had a foot badly smashed while at work on a freight train near Charnock yesterday. In crossing over a car he got his foot between the draw-head and end sill and when the cars came together he was very seriously injured. He was brought to the Clearfield Hospital.

W. C. Potts, of Delmar, has been acting business here recently.

NEWS OF OUR NEIGHBORS

CURWENSVILLE

CURWENSVILLE OUT TO DO HER LIMIT FOR CENTENARY

During the past week we often heard the question, "What is the Centenary? What is it for?" Here is the idea back of the Centenary. The Methodist Episcopal church, will celebrate the one hundredth anniversary of its missionary society by raising \$80,000,000 for mission work at home and abroad, and \$25,000,000 additional for War Reconstruction work, both here and abroad.

The money thus raised will be spent in establishing schools colleges and hospitals. Churches that will care for the interests of the community will be created. The rural sections the congested center, the immigrant, the needy at home as well as those of foreign lands will be looked after and cared for. When we think of the seven million men who gave their lives we realize that we thru our churches, must now give of our substance and give to the limit. To fail in this would be to break faith with those who lie in Ponder's Fields.

When the reports came in Sunday evening, it was more than encouraging to learn that Curwensville had raised almost the full amount of her quota for the entire five years which this movement will cover \$22,000 or an average of \$4,400 a year. When the final reports are handed in on Wednesday evening there is every reason to believe that the needed amount of \$1,400 will be covered.

Mrs. D. Porter McClure died at her home on Filbert street, Monday evening at 7 o'clock after an illness covering several months.

Mrs. G. F. Kittleberger and Mrs. M. A. Caldwell, attended the final meeting of the chairmen of the various committees for the Victory Loan drive at the Presbyterian church at Clearfield yesterday.

Miss Marjorie Hudson is visiting with friends at DuBois, Pa.

Dan Irwin who has been overseas for several months serving in the radio-signal branch of the service arrived home on Saturday evening having been mustered out at Camp Mills. Dan says that while he had a wonderful experience, he has had enough of army life and especially of army doctors.

A. Davidson will leave tomorrow for Butler, Pa., where he will attend the funeral of his sister, Mrs. W. R. Golf whose death occurred at that place.

DID HE HAVE GASTRITIS OR CONSUMPTION?

Doctors didn't know. Anyway,
Mr. Baker is well now. Feels
like he did at sixteen.

"One year ago in September I was
taken down; couldn't eat, sleep or work.
The doctors didn't know exactly what
was the matter. Some said I had
gastritis, some said consumption,
and others, cancer. Anyway, I
was given up to die."

"A friend persuaded me to try Milk
Emulsion. In 4 or 5 weeks, the sore
ness went out of my lungs, the aching
pains vanished from between my shoul-
ders, and I began to eat and sleep, and
work a little. Also the miserable long
some feeling began to pass away, and
that heavy weight in the left side of my
stomach that hung like a huge iron ball
disappeared."

"By the time I had taken 21 bottles
I could eat anything, sleep like an in-
fant, and the old time vim and nerve
had come back. I felt like I did when
I was sixteen."—Lynnan Baker, Star
News, Scrabble, Ark.

"The old stomach and
bowels working right, and most ailments
start to leave. Strength comes back,
back is regained, and the whole system
begins to work like a clock. Milk Emulsion
is guaranteed, so it does nothing to try."

"Milk Emulsion is a pleasant, nutri-
tious food and a corrective medicine. It
does away with all need of pills and
drugs. It promotes appetite and quick-
ly restores the digestive organs in shape to
digest food. As a builder of flesh
and strength, Milk Emulsion is strong-
ly recommended to run-down nervous
people, and to all who are suffering from
any form of tuberculosis of the lungs,
chronic stomach trouble and
consumption are promptly relieved—just
eat it and you will see the difference."

"This is the only solid emulsion made,
and so valuable that it is eaten with a
spoon like for cream."

"I have been using Milk Emulsion under
the guidance of my doctor, and it has
done for me what nothing else could do.
I am now well and strong, and I am
able to do my work. The Milk Emulsion Co., Terre
Haut, Ind. Sold and guaranteed by
Stewart's Drug Co."

CLASS MEETING POSTPONED.

The meeting of Class No 17, of Trin-
ity M. E. church which was to have
been held at the home of Mrs. J. A.

Y. W. C. A. Provides Home For Actresses at Camp Dix, N. J.

Actresses who play in the Liberty Theater at Camp Dix, N. J., find a touch of home in the Players' House which the housing committee of the Young Women's Christian Association, of which Mrs. John D. Rockefeller, Jr., is chairman, operates for them. Because of the distance from any town where they might stay, it was necessary to provide some sort of living accommodations for the actresses. The Y. W. C. A. built the house, supplying it with all conveniences such as sewing machines, washbaths and ironing boards. Camp Upton, L. I., has a similar house.

Y. W. C. A. UNIFORMS TO CLOTH STUDENTS

Suits Worn by War Workers Will
Be Given to Penniless Stu-
dents in Switzerland.

Official uniforms of the Young Women's Christian Association minus the Blue Triangle, the Association insignia, will be worn next winter by women students who have been stranded in Switzerland during the war and who, because of lack of funds, inability to re-enter their native country, a desire to finish their university courses or because they have no family to which to return, will remain there next year.

Elizabeth M. Clark, who has been in Switzerland for ten years under the World Student Christian Federation, has appealed to the National Student Committee of the Y. W. C. A. for clothing for the 300 foreign women students in Switzerland. The scarcity of clothing last year among these almost penniless students made it necessary for two girls to share one coat so that only one could go to classes or go out of doors at a time.

Four large packing cases of all kinds of used clothing, save hats, which is in good condition, have been collected last year from women college students in the New England States, Ohio, West Virginia, Pennsylvania, Maryland and Delaware by the Student Committee of the National Y. W. C. A. to be sent over in response to Miss Clark's appeal. This clothing will be dyed, cleaned and made over in Switzerland.

In addition to the clothing collected from students in colleges nearest New York a case of uniforms, which have been turned in by Y. W. C. A. secretaries who did war work, and the official gray uniform slacks is being sent. As uniforms are being turned in by war workers they will be claimed by the Student Committee, which will make the insignia and prepare the uniforms so that they may be worn by these women who have been forced by world events to remain in Switzerland for several years.

QUEEN MARIE INVITES Y. W. C. A. TO RUMANIA

Extends Invitation to Overseas Work-
ers in Paris.

Paris, April 21.—Queen Marie of Rumania, following a conference with a representative committee of the American Y. W. C. A., held at the Ritz Hotel, Paris, has invited the American Young Women's Christian Association to come to Rumania and open work under her patronage.

Among the representatives of the Y. W. C. A. present at the conference were: Miss Harriett Taylor, head of the American Y. W. C. A. work overseas; Miss Mary Anderson of Hudson, Wis.; Miss Mary Dugan, head of the Y. W. C. A. industrial work in France; Mrs. Margaret B. Fowler of Pasadena, Cal.; and Miss Charlotte Nissen, head of the Y. W. C. A. work in Italy. A notable guest at the meeting was Madame Caturji, wife of the secretary of the Rumanian legation in Paris.

Y. W. C. A. WORKER
IS DECORATED.
Miss Marion Porter of New York City was decorated the other day in the name of the Chaplain General of the American army with the Church War Cross.
Her citation was for her moral and spiritual contribution to the war.
For more than a year Miss Porter has been at a hospital center in Vitel, France, as a representative of the Y. W. C. A. in charge of a nurses' club there.

Harold, infant son of Mr. and Mrs. Homer Campbell, died at their home in Wellsboro on May 16th.

PROHIBITION TO BRING COMMUNITY PLAYHOUSE

Hazel MacKaye Advises Using Build-
ings as Centers for Drama, Com-
munity Songs and Enter-
tainments.

Why not turn the corner saloon into a community playhouse when the law effects the closing of these gathering places, asks Miss Hazel MacKaye, director of the Department of Pageantry and Drama of the National Young Women's Christian Association?

"I went over on the West Side of New York one night recently to attend a community drama meeting," Miss MacKaye says in explaining her theory, "and as I was riding along I noticed how many saloons there were—one on every corner and another in the middle of the block. These lights ought not to go out with prohibition. They ought to shine for something worth while to all of the people, and what better than community drama and songs?"

Miss MacKaye feels that the war has given a great impetus to popular interest in drama and that through pageantry and drama a great deal in the way of Americanization can be effected.

Through the community center, if it be in a district populated largely of one foreign nationality, these people could present pageants of the life in their mother countries, translating them into English, so that American students and the younger English speaking members of their household could understand and appreciate their traditions. American art would be greatly enriched thus through the drama of all of the nations whose people have settled in this country. On the other hand American ideals, American history and American festivals, even laws such as child labor and minimum wage, could be interpreted to these people by means of pageantry.

"People have been learning not only to work together, but to play together," Miss MacKaye says, "particularly since the war, when the people stood together in drives and large patriotic community entertainments. The opportunity to build up a great community organization is now at hand, and the time is ripe for it. Why not utilize the corner saloon?"

DEPARTMENT ADVISES ON PLUMBING AND CURTAINS

New Bureau Opens in Y. W. C. A. Overseas Office.

A new department of finance has been organized by the Y. W. C. A. for its work in France. Miss Constance Clark of Pasadena, Cal., is the executive. Miss Clark before her recent coming to France was director of the big Y. W. C. A. Hostess House at Camp Lewis, Washington.

All contracts, leases and rentals for new buildings will be handled by Miss Edith Austin of New York City, an experienced architect and builder, who will work through this newly created section.

Plans for remodeling and decorating rooms, clubs and hostess houses taken over by the Y. W. C. A. will be in the hands of Miss Mary Buchanan, an interior decorator, who comes originally from Scotland, but who has been working in France for the American Y. W. C. A. since the beginning of its war work there.

In addition, the department is compiling lists, suggestions and general shopping guides for all the buying of the Association in France, including all kinds of building equipment from entrance curtains to plumbing supplies.

A cafeteria expert will have a place in the department to act as general advisor on restaurant and cafeteria projects of the Association throughout France.

In short, the department is to be more than finance alone. It is to be a kind of general advisory department and clearing house for all other departments in the French association, a department where dollars will be measured up against deeds and needs.

Mrs. S. A. Rowe entertained last week in honor of her daughter-in-law, Mrs. Arthur Rowe, Jr.

LEGAL Intelligence

ADMINISTRATOR'S NOTICE
In the Estate of John Fathig, late of the Township of Bedford, Pennsylvania, deceased.

Notice is hereby given that Letters of Administration on the above estate have been granted to the undersigned, therefore all persons knowing themselves indebted to said estate are requested to make immediate payment and those having claims or demands against the estate will present them duly authenticated for settlement.

Corns Peel Off Painlessly

There's Only One Genuine Corn Peel-
er—That's "Gets-It!"

There's only one happy way to get rid of any corn or callus, and that's the painless peel-off way. "Gets-It" is the only corn remedy in the world that does it the easy way—effectively.

"3 drops of 'Gets-It'—Corn is doomed."

thoroughly. Why get down on the floor, tie yourself up into a knot and have to fool with "packaged" plasters, greasy ointments that rub off, sticky tape, and digging knives and scissors, when you can peel off your corn or callus in one complete piece, peacefully and surely with magic, simple, easy "Gets-It"? It takes 2 or 3 seconds to apply "Gets-It"; you use 2 or 3 drops, and that's all. "Gets-It" does the rest! Get rid of that corn pain at once, so that you can work and play without corn torture. Be sure to use "Gets-It". It never fails. "Gets-It" is guaranteed, money back corn-remover, the only sure way, costs but a trifle at any drug store. Manufactured by E. Lawrence & Co., Chicago, Ill.

Sold in Clearfield and recommended as the world's best corn remedy by Stewart Drug Co.

REMBRANDT PEALE JOINS DIRECTORATE OF LOCAL BANK

Mr. Rembrandt Peale has accepted appointment to the Directorate of the County National Bank of this place to fill the vacancy caused by the death of the late Fred G. Betts. It will be a pleasure to Clearfield business people to know of this closer identification of Mr. Peale with the business of our section. He is probably the largest shipper of coal on the New York Central line, and it is but fitting, when he is willing to become identified with our financial business, that he should be placed on the Board of Directors of the oldest and largest institution in the section.

Gossip for Tonight's Tea Table

Mr. and Mrs. Lewis Stock who were recently married at Birmingham, Ala., are visiting the former's parents Mr. and Mrs. John Stock on S. Second street. Mr. and Mrs. Stock will make their future home in Meadville, Pa. Mrs. H. G. Gulbrahn spent yesterday with friends here.

Mrs. Charlotte Hoyt Lanich, is spending a few days with her husband's parents, Mr. and Mrs. William Lanich in Penfield.

G. L. Fletcher of Mahaffey, spent yesterday here transacting business. Nathan Sealey, of New York, is visiting his cousin, Paul Morrison of Pleasant Dale.

George Rumberger of Houtzdale attended the dance in the Dimeclub last night.

Miss Pearl Peters has returned from visiting relatives in York, Lancaster, and Harrisburg.

Mrs. Henney, of Bellefonte spent the week-end with her husband at the Dimeclub.

Miss Carrie Reijer has returned from visiting friends in Karthaus.

Mr. and Mrs. J. C. Leonard of Bald Hill were shopping in town yesterday.

Mrs. Fred Rogeaux of Frenchville, is spending a few days with friends here.

Mrs. Arthur Row, Jr., returned to her home in Canton, Ohio, today after visiting her parents, Mr. and Mrs. M. R. Ogden on Ogden avenue.

Thomas Lowell, of Penfield, attended to business here yesterday.

Mrs. Chester Cortes has returned from pending a few days with her husband in Johnstown.

Mrs. S. C. Wilson has just returned from Bedford and Centre county, where she conducted some very successful W. C. T. U. membership campaigns.

Mrs. A. C. Davis, of Nichols street, who underwent an operation at the Clearfield Hospital yesterday is getting along very nicely today.

Mrs. L. C. Meise, of Fourth street, was operated upon at the Clearfield hospital yesterday. Her many friends will be pleased to know she withstood the operation finely and is already convalescing satisfactorily.

Ralph W. Baker, son of Rev. and Mrs. C. W. Baker, of 118 N. Third street, and a senior of Gettysburg college is a member of the Glee Club, and blows the French horn in the orchestra, and takes the part of "Tony" in "When Tony Goes Over the Top." He also expects to spend Sunday next with his parents here.

Miss Huldah Johnson is visiting friends at Jersey Shores.

COLLEGE OF MUSIC ANNUAL COMMENCEMENT

The Thirteenth Annual commencement of the Susquehanna College of Music, will be held in the college auditorium on Thursday evening next.

Due to the fact that there are no graduates this year the commencement will take the form of a recital by the under-graduates. This will bring before Clearfield music lovers the best talent that has been developed during the year and it will be a delightful occasion.

There is no charge for the recital and the public is cordially invited to be present.

Y. M. C. A. NOTES.

A moving picture was taken yesterday of the different Y. M. C. A. gymnasium classes which will be shown in the Theater next week. Over 200 boys and girls were in the different classes and acted for the movie.

All the returned soldiers, of the city and suburban towns are requested to meet at Y. M. C. A. Wednesday evening at 8:00 to plan and rehearse their drill and athletic events they will hold at the park under the auspices of the Elks for the benefit of the Salvation Army Thursday afternoon, May 23.

TAXPAYERS' ATTENTION.

All persons owing 1915 taxes must make payment on or before June 1st, otherwise their account will have to be let for collection. I am compelled to settle my 1915 duplicates by that time and must have the taxes. Save trouble and additional expense by heeding this notice. ED R. TAYLOR, m20-6t-ch. Tax Collector.

Edison Claims Are Proven!

IN selecting a photograph, don't depend upon unsupported claims, seek actual evidence. There are many devices for sound reproduction offered and strong claims are made for all of them. But there is but one instrument, the makers of which have ever submitted proof of the assertions made about it. That instrument is

The NEW EDISON

"The Phonograph with a Soul"

Just what is claimed for this instrument? Merely this: that a RE-CREATION of an artist's voice as instrument upon the New Edison, is so flawlessly perfect that no human ear can distinguish between the interpretation of the living, breathing artist and that of the New Edison. Nor is this a mere assertion. More than 2000 public tone tests in which the artists sang or played in direct comparison with the instrument have been held. More than 2,000,000 people have attended them. And out of this vast assemblage not one person has been able to say when it was the living artist he heard and when the New Edison. No other instrument has ever been subjected to the searching tone test. No other instrument could sustain such a test.

Make it a point to drop in tomorrow and hear a demonstration of the New Edison.

RECORDS OF THE IRON DIVISION

It is a part of the distinguished record of the 28th Division that it sustained heavier casualties than any other in the American Expeditionary Force except three divisions of regulars. Those got into action earlier and bore practically all the losses previous to Foch's great counter-offensive. When that got going the Pennsylvania soldiers were in the thick of the combat from the Marne to the Vesle and again in the Argonne, where they suffered severely.—Philadelphia Record.

A GOOD START

The American Legion has started out well. It has succeeded in dodging many pitfalls that were in its path at the first meeting. It had focussed upon it at St. Louis the eyes of the country, and it had to submit all of its action and plans to close and critical scrutiny. There was on every hand the temptation to make mistakes. It emerged from its first test with flying colors. Nothing that it did was in any way irreconcilable with its professions of nonpartisanship, although in the list of delegates were many strong partisans, who were looking for a chance to turn the meeting to political advantage on one side or the other. Philadelphia Press.

LET US HONOR THE EIGHTIETH DIVISION

The famous Eightieth Division is sailing for home at last and by possibly the first of June the boys will be back. A very great number of Clearfield and Clearfield county boys are members of the Eightieth Division. Nearly every community in the land have received properly or are making the necessary arrangements to give their boys a fitting reception when they arrive home. What is Clearfield doing towards the reception of her returning heroes?

'Tis true many of our brave boys who served in other units are already here but they came in small groups and no attempt at organized reception could be made. With the Eightieth Division it is different. When those boys get back they will come home together en masse as they went away and it seems to us our Clearfield people would be lacking in their patriotic duty were they to fail to get busy and give all the returned soldiers and the community in general the biggest time this staid old town has ever seen.

Let us show our appreciation in this way at least once and the Eightieth homecoming appears to us to be the time for that once.

What do you think neighbor, and who will start the movement?

CITY TEAM WINS

FIRST GAME

Hip! Hip! Hooray! The Y. M. C. A. Twilight League was started last night with spirit and pep. All of our garages furnished autos and hauled the players of the five different teams to the Driving Park, where Mayor John M. Chase officially opened the league by throwing the first ball.

A large crowd of baseball fans were present to see the City Team defeat the Y. M. C. A. team in their merry-go-round game of 20 to 13, in favor of the City Team.

The game was fast and funny and perhaps will hold the season's record for runs, hits and errors. Those twilight league games will be played every Monday, Tuesday, Thursday and Friday evenings and will start at 6:15.

The Third Ward Team will play the New York Central team tonight.

Everybody invited, free of charge.

to these games. Wilson and Smith were the batteries for the Y. M. C. A. and Roseberry and Learish for the City.

STATE HEALTH NOTICE

The Department of Health, State of Pennsylvania, has opened a prophylactic of immediate treatment station, at the Clearfield Hospital for use of discharged soldiers and civilians. There is no charge for service or treatment which will be available 24 hours a day, the purpose being to minimize the spread of venereal diseases.

NOTED GETTYSBURG GLEE CLUB TO BE HERE TOMORROW

Gettysburg College was founded in 1832 by the Lutheran church "for the main purpose of educating young men for the Gospel ministry." From a very humble beginning, the college has grown rapidly until it has taken rank with the very best Classical colleges in this country.

At present it has 18 large buildings, a large endowment, a faculty of 40 professors and teachers and over 800 students. Situated on the greatest battlefield of the Civil War, its location is most advantageous, since literally hundreds of thousands of people from all over the world, visit Gettysburg every year. As the older buildings were used as hospitals during and after the battle, most of the tourists visit the college and its beautiful 40 acre campus.

One of the strong features of the college this year, is its superior musical organizations. The 26 young men who compose the college orchestra and Glee Clubs, and who will appear on the platform of the High School auditorium on Wednesday evening, May 21st, are declared, by "the Chambersburg Valley Spirit" to be "the best equipped and most gifted musicians ever sent out by the college at Gettysburg, or any other College ever heard here. So we are sure that a real and rare treat is offered to the music lovers of Clearfield.

C. W. BAKER,
Pastor Lutheran Church.

BRITISH ATTEMPT AT TRANS-OCEAN TRIP A FAILURE

London, May 20 (Tuesday)—Harry Hawker's daring attempt to claim for Britain the laurels of the first air flight across the Atlantic from America has ended in disaster.

Shortly after 6 o'clock last evening (New York time) the admiralty made the announcement that the Sopwith plane had been forced to make a landing off the Irish coast 40 miles from the mouth of the River Shannon.

Up to that hour London had been praying for a miracle that somehow both Hawker and Commander MacKenzie Grieve, his navigator, might alight in Ireland or at Brookland. Then London prayed that Hawker and Grieve may be alive. Hope of winning the flight has been abandoned.

Hawker Is Lost

LONDON, May 20, 2:20 p. m.—Neither the Admiralty or the Air Ministry has received at this hour any news regarding the fate of Harry Hawker's machine in which he flew from Newfoundland. All available ships are searching for the machine.

GEORGE W. MOHNEY DIED AT DU BOIS HOSPITAL

George W. Mohney an old time resident of Rathmel died at 1:55 o'clock yesterday afternoon at the Maple avenue hospital, DuBois following an illness that has extended over a period of six years. Gangrene was the cause of his death.

Mr. Mohney was born in 1840, on Washington's birthday and was named after the illustrious American. At the time of the outbreak of the Civil War, Mr. Mohney volunteered and served with distinction. Following the war Mr. Mohney settled near Rathmel, where he became prominent in the locality as a man of the greatest integrity. He lived there until two years ago when his wife died and he went to Ellwood City to make his home with a son. Six weeks ago he went to DuBois to visit with his daughter, Mrs. Andy McGinness. Shortly after arriving he was taken sick and removed to the hospital.

Seven sons and four daughters survive as do forty grandchildren and six great-grandchildren.

The remains were removed to the home of Mrs. McGinness, 19 Rumburg or avenue, where funeral services will be held on Wednesday afternoon at 2 o'clock. Burial will be made in Reynoldsville. W. A. Mohney, of the Fourth Ward, is a son of the deceased.

BODIES OF FBICK MEN FOUND

Henry E. Fisher was advised by phone, by his daughter, who is over at Claysburg, Pa., that the bodies of his brother, W. C. Fisher, of Claysburg, and J. L. Miller, of Fort Matilda, Pa., with the other five men drowned in the Juniata river near Lewistown on Saturday, May 10th, had been found. Mr. Fisher's funeral will be held at Claysburg at 11 o'clock tomorrow.

Geo. M. Rosser is in attendance at the Furniture Exhibition at Jamestown, N. Y.

THE MEN BEHIND THE DOUGHNUT GIRLS

Credit for the service rendered the Doughboys by Salvation Army lassies is due to these men of the motor division.

Frying doughnuts, baking pies and making cocoa and coffee for the American troops in France was but one of the many branches of the Salvation Army's activities overseas and seemingly one that won its way straight to the hearts of the doughboys.

It was often difficult to obtain supplies and were it not for the light motor trucks and their crews of Salvation Army workers the service close to the front line trenches would have been almost impossible to maintain.

The Salvation Army motor corps did their sturdy parts in bringing the doughnuts to the doughboys. The Salvation Army did not leave all its "pep" in France. On May 19th, the great campaign for \$13,000,000 for the Home Service Fund will be launched. The success of the drive will relieve the Salvation Army workers of the necessity of soliciting contributions in public places—the method in vogue for many years, and enable them to devote all of their time to relief work.

Boxes of 12 tablets—Bottles of 24—Bottles of 100—Also Capsules. Aspirin is the trade mark of Bayer Manufacture of Monaceticacidester of Salicylicacid.

EXHIBITS FROM EVERY CLIME

All Countries to Be Represented at Methodist Centenary.

BUILDINGS BEING ERECTED

Art, Medical and Educational Exhibits at the Celebration at Columbus to Be Held June 20 to July 13, Will Reveal the Progress of Christianity the World Over—All Nations Will Mingle at Exposition Grounds.

The visitor who comes to the Methodist Centenary celebration at Columbus, June 20 to July 13, will find himself transplanted to a large park of more than 100 acres, which has cost the state of Ohio millions of dollars to develop, with an immense oval in front of which is an amphitheater seating 50,000 people, the Coliseum with a seating capacity of 8,000, and eight exhibit buildings with a floor space of 200,000 square feet scattered over these exposition grounds.

The exhibits will come from every part of the world. Settings built under personal direction of men who have just returned from the countries represented are now in construction. Later, natives will begin to arrive, bringing their strange customs, costumes and industries. A true picture of the lives of these people is the aim of the directors of the Centenary. A miniature Ganges river actually flowing through the India building is the center of queer heathen religious customs. Here will be found the Hindu temple, Mohammedan mosque and sacred monkey temple, filled with chattering monkeys. Here, too, the sacred pigeons will be fed every day, amid much ceremony, and a fakir on his bed of spikes proves to less stoical observers that his soul is above the trivial sufferings of this world.

An Indian bazaar, overflowing with silks, wrought metals, idols and flower shops, occupies a large part of the India building. Public letter writer, sweetmeat seller, teeth-cleaner, beggars and curio seller mingle with the crowds of sightseers.

Indian village scenes and an Indian marriage procession, with the bridegroom riding an elephant, are included in the plans of Dr. Lewis E. Hazel of India, who is in Columbus to direct this building for the Centenary.

In an immense Kafir kraal, containing five full sized huts and a cattle enclosure, 60 Ethiopians will be found working at various typical industries, as a part of the African exhibit. The desert life of northern Africa, with Bedouin tents and Moorish town, is pictured in another section of the African building. This exhibit is directed by J. T. C. Blackmore of Algeria, who is also directing a reproduction of early Roman civilization in the same building.

Another part of the African building is devoted to Roosevelt and Rainey motion pictures, episodes from the life of Dr. David Livingstone, lion hunts and Kafir dances, the Uganda railway and African mission scenes. Other sections of Africa are fully represented in the large building which is under the direction of Dr. E. H. Richards of Oberlin.

The high gray walls of a Kwang city confront the visitor at the entrance to the Chinese building. At the left is a farm scene; inside the walls are the principal exhibits, including a large Chinese restaurant, open to the public; curio shop, money exchange, Confucian temple, typical Chinese homes, and a Methodist church such as is found in the Celestial republic.

Art, medical and educational exhibits revealing the progress of Christianity in that country form a part of the plans of Dr. John M. Gowdy of Fuchau, who, with Y. C. Yong of the Chinese legation in Washington is directing the building.

Devastated France and Belgium are realistically reproduced in the European section, under the direction of Dr. E. M. Tipple, who has recently returned from abroad. The reproduction of a ruined French cathedral which seats 500 people will be used for lectures and pictures. Through the shell-shattered walls are seen the plains of Lombardy and ravaged Belgium.

Separate sections dealing with Russia, Scandinavia and the Balkans occupy a large share of the European buildings. Dr. G. B. Winton, Dr. W. H. Teeter and S. A. Neblett are in charge of South American, Cuban and Mexican sections.

A Japanese garden, with wishing bridge, lily pond, pergola and pavilion, is being built for the Japan building by a Japanese expert gardener. A gold mining scene and the famous Hiroshima kindergarten will also be reproduced in this section. Dr. E. R. Bull, formerly of Tokyo, is in charge of the Japan building. Exhibits from Korea under Dr. W. H. Cram of Nashville, Tenn.; from the Philippines under Dr. Harry Farmer of New York, and from Malaysia under Dr. J. R. Denyes of Pittsburgh, will be held in the same building.

Two large administration buildings are devoted to scenes and exhibits from every corner of North America, under the direction of Dr. Ralph E. Diefendorfer of New York. Alaskan and Pueblo Indians, mountaineers,

New York shopkeepers and California Japs will be found working at their various industries, and living in widely contrasting environments. A typical southern plantation scene and a Mexican village will be picturesque features of the building. The purpose of these exhibits is to emphasize the work of the church in the diversified sections of United States and Canada.

A machinery hall, containing 40,000 feet, will be filled with photographs, charts, books and miscellaneous exhibits from all countries represented in the exposition.

"WITH ALLENBY IN PALESTINE"

Sacred Views Also to Be Shown at Methodist Celebration.

Photographs by Lowell Thomas, Famous Lecturer and Writer, Offers Rare Opportunity to Witness Military Operations at Celebration at Columbus, June 20 to July 13.

Would you like to fly from Cairo to Jerusalem?

Would you like to hover over the pyramids and cross, in a few minutes, the country over which the Israelites wandered for 40 years?

Would you like to stand in the cave of Machpelah, before the tombs of Abraham, of Isaac, of Jacob, of Rebecca, of Rachel, where only three Christians have ever stood?

Would you like to go "rose-diving" over Bethlehem at the rate of 150 miles an hour?

Would you like to see Allenby's soldiers capture Jerusalem and Jericho and Christian sentries guarding the Mount of Olives and the Garden of Gethsemane?

The opportunity to do all these will be presented at the Methodist

LOWELL THOMAS. Lecturer and Writer Who Will Tell of His Wonderful Adventures in the Holy Land With the English Army Under General Allenby.

Centenary celebration at Columbus, O., June 20 to July 13, in the Lowell Thomas travelogue, "With Allenby in Palestine." For, in this talk, illustrated by amazing moving pictures and still photographs, the first authentic eye-witness account by a fully accredited observer of this dashing campaign will be given.

They show the great military operation from its beginning to its end when the Turk had been driven out of the Holy Land and Allenby stood astride the Berlin-Bagdad railroad at Aleppo, ending the Mittel Europa scheme of the Kaiser and the pan-Germans forever.

But they show more than that. They show all the sacred places of which Christians have heard since their childhood. They show how the places look today and how the people of Palestine are actually living. They show almost everything that one would care to see or know of Palestine—certainly more than any ordinary traveler could see in half a dozen visits to that country.

These travelogues have obtained the unanimous indorsement of the clergy of New York city. They will appear at Columbus during the entire time of the great Methodist celebration.

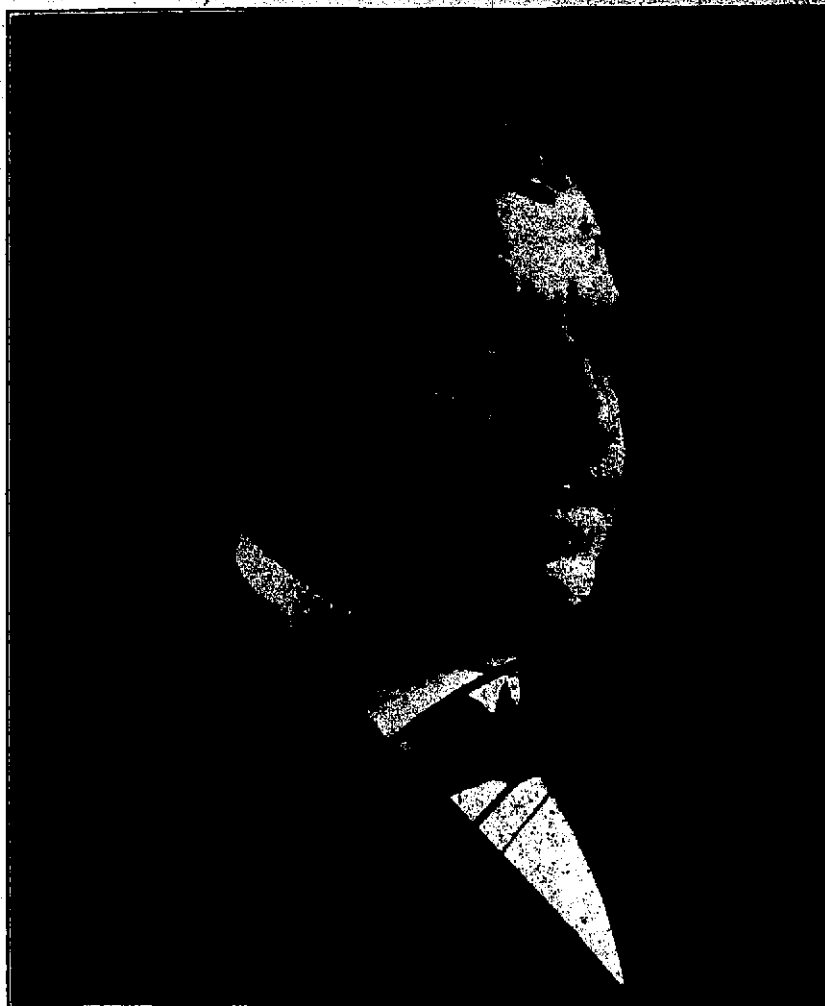

HAVE ODD CAMPING PLACE.

How would you enjoy living in the horse exhibit building at the exposition grounds, chaperoned by hideous Chinese idols by Kali, the Goddess of Murder, and numerous other deities more powerful than they are beautiful? That is what a dozen young women from New York and New Jersey are doing at Columbus, O., where the Methodist Centenary celebration will be held June 20 to July 13.

"Don't think for a moment that we are not having a fine time," said one of the young women. "Our quarters upstairs are quite cozy. We even have a piano, and it is like a vacation for us to be camping out here. Besides the work of classifying and arranging all these wonderful foreign exhibits is fascinating."

HOW RHEUMATISM BEGINS

The excruciating agonies of rheumatism are usually the result of failure of the kidneys to excrete poisons from the system. If the irritation of these uric acid crystals is allowed to continue, incurable bladder or kidney disease may result. Attend to it at once. Don't resort to temporary relief. The sick kidneys must be restored to health by the use of some sterling remedy which will prevent a return of the disease. Get some **GOLD MEDAL Elixir**. It has brought back the joys of life to countless thousands of sufferers from rheumatism, lame back, lumbago, sciatica, gall stones, gravel and other affections of the kidneys, liver, stomach, bladder and allied organs. They will attack the poisons at once, clear out the kidneys and urinary tract and the soothing healing oils and herbs will restore the inflamed tissues and organs to normal health. **CALL OTHERS' Imitations. Ask for GOLD MEDAL and be sure the name GOLD MEDAL is on the box. Three sizes, at all good druggists.**

COLONEL KERR HOPE SOON.

Colonel Fred Kerr expects to sail for home with his Twenty-third Engineers the latter part of the week. Mrs. Kerr was advised by the Colonel that he would arrive in Brest tomorrow, the 21st, and will likely get away for home before the end of the week.

That Salvation Army Smile

Several thousand veterans of the Argonne Forest recently entered New York harbor. Among them were several badly wounded Marines. One man, easily distinguished because of a coat sleeve that dangled empty at his side and a Croix de Guerre, was making his way slowly to the waiting ambulance when a Salvation Army girl approached him and offered doughnuts and coffee. "Now I know I am home," he said. "These doughnuts helped a whole lot 'over there' and, first crack out of the box when we land, we find more waiting for us. The best thing about the Salvation Army work out near the front line was the smile that accompanied the gift. Those girls had a knack of wrapping up every doughnut and every cup of coffee in a smile. The doughnuts were fine, but the smile—that took the place of powdered sugar." The Salvation Army Home Service Fund Campaign for \$13,000,000 opens May 19, to last one week.

SALVATION ARMY NEEDS

Annual Budget Shows Reasons
for \$13,000,000 Drive.

Vast Activities Conducted by 1,000
Corps in United States—
Future Plans.

New York.—(Special)—The annual budget of the Salvation Army, containing a detailed and comprehensive statement of the cost of maintaining its varied activities throughout the United States, has been issued from National Headquarters, 122 West Fourteenth street. The statistics show why it is necessary for the Salvation Army to go before the American people in the week of May 19 to 26 and ask them to contribute \$13,000,000 to its Home Service Fund.

There are 939 corps and outposts of the Salvation Army in the United States. The cost of maintaining these is \$2,685,000. The maximum income which these corps may expect from collections in meetings, contributions of members and other outside contributions is \$715,000, making the net total cost of supporting the corps \$1,970,000.

The cost of maintaining divisional and provincial headquarters, which supervise the work of the local corps, will be, according to the budget, \$530,000.

Besides the work of supervising the local headquarters, the provincial and divisional headquarters are in charge of several of the Salvation Army's largest activities, including the operation of fresh air camps for children, rest and employment bureaus and the provincial bands.

Under the heading of "national and territorial obligations" the Salvation Army includes the expenses of maintaining what are among its best known institutions, those which may be grouped under the general name of "social work." For this purpose the Army wants \$1,270,000.

The pension fund budget is \$400,000. The Salvation Army has determined on the erection of many new buildings for social work in the future. The building program will require expenditures of \$1,875,000.

The remainder of the amount sought for the Home Service Fund is for corps, divisional and provincial buildings and a small contingent fund.

Details of the Salvation Army's activities in the United States for the last year show how remarkable is the scope of the Army's endeavors and what vast numbers of people it serves. For instance, the Army maintains seventy-five hotels for men and women. Last year 1,656,728 persons found sleeping accommodations in these. Boys were supplied for 127,889 children in the Army's four children's homes in the same period, while 48,519 children were sheltered in the slum nurseries. In the industrial homes books were supplied for 1,742,815. In the rescue homes and maternity hospitals 1,850 girls went under the care of the Army last year.

The Army has 2,018 officers and cadets in the United States. Last year they preached to over 24,000,000 persons.

EVANGELINE BOOTH TELLS HOME SERVICE FUND'S NEEDS.

Evangeline Booth, commander of the Salvation Army in the United States, explaining the purpose of the campaign for \$13,000,000 which will be conducted from May 19 to May 26 for the Salvation Army Home Service Fund, said:

"The Salvation Army has been tolling on the upward trend for more than half a century, doing just what it did in France, all in the same spirit and manner, but you did not happen to hear of it, perhaps.

"The war depleted our forces and our finances at home. There must be not only a rehabilitation now, but we must rise to the new high tide mark and equip ourselves to maintain here in the United States the contracts we were privileged to make on both sides of the sea because of the war."

The Salvation Army Home Service Fund campaign for \$13,000,000 will be conducted during the week of May 19-26. Its success will enable the Salvation Army to practically double its efforts among the poor.

The Salvation Army returns from the trenches of France to take up its half century old battle in the trenches of poverty in the United States. Remember the Salvation Army Home Service Fund campaign for \$13,000,000 May 19-26.

WILSON COVERS LARGE SCOPE OF DOMESTIC SUBJECTS IN ADDRESS TO EXTRA CONGRESS

RECOMMENDS REPEAL OF WAR TIME PROHIBITION AS TO WINE AND BEER

URGES RETURN OF RAILROADS AND WIRES TO OWNERS AT END OF CALENDAR YEAR IF POSSIBLE

SHIFTS RECONSTRUCTION TO REPUBLICANS

PRESIDENT WILSON'S MESSAGE RECOMMENDS:

Repeal or amendment of the war-time prohibition act in so far as applies to wines and beers.

Creation of a federal agency of advice and information as a clearing house for suggested improvement of industrial conditions.

Maintenance of the United States employment service.

Repeal of the so-called "luxury tax."

Adoption of the land-for-soldiers bill sponsored by Secretary Lane.

Legislation to facilitate American enterprise in foreign trade.

Reconsideration of federal taxes to relieve the burden particularly on productive resources, making incomes, excess profits, and estimates the mainstays of steady taxation.

Against general revision of import duties, but for protection of the American dye industry.

Adoption of the suffrage amendment.

Return of the telegraph and telephone lines to their owners under more co-ordinated system.

Return of the railroads under a more uniform system.

By ROBERT J. BENDER

(United Press Staff Correspondent)

WASHINGTON, May 20—President Wilson today called upon a Republican congress to legislate this session along lines that will insure greater co-operation between labor and capital.

The outstanding feature of his message read to both houses of Congress was his appeal that those who do the daily labor of the world "obtain progressive improvement in the conditions of their labor, be made happier and be served better by the communities and the industries which their labors sustains and advances."

The new interest between Capital and labor, he said, can be made operative and manifest only in a new organization of industry, and he urges business men and workers to "seek and sincerely adopt a common purpose" toward that end.

Regretting his inability to be present and his lack of familiarity with domestic conditions owing to the "duty" which keeps him at the peace conference, the President, in making his recommendations declares they must of necessity be "only in general terms." However, he specifically told Congress that he will return the telegraph and telephone lines as soon as the "re-transfer can be effected without administration confusion", and the railroads, he said, will be handed over to their owners at the end of the calendar year.

"It is clearly desirable in the public interests," he said, "that some legislation should be considered which may tend to make of these indispensable instrumentalities (wire lines and railroads) a uniform and co-ordinated system," that those who use them may be insured certain means of country-wide communication at uniform and intelligible rates.

These recommendations, however, had been looked for. The promised "surprise" of the President's message lay in his recommendation to congress to repeal or amend the war-time prohibition act.

By this action the President passes over to the Republicans the burden of upholding or rejecting the war prohibition question settled in favor of the "drys" by a Democratic congress.

Demobilization of the army, the President says has reached a point where the ban on intoxicants can be removed, insofar at least as it pertains to wines and beers.

The President advises against any "general" revision of import duties but counsels protection for the new American dye industry.

He urges revision of taxes so that the income tax, excess profits tax and the estate tax can be made to "yield constant and adequate returns, and yet not constitute a too grievous burden upon the taxpayers."

He urges repeal of many "minor" taxes including "the excises upon various manufacturers" and the taxes upon retail sales.

Tax revision should be made only after a most careful study of the whole problem, he says.

The President would maintain the United States employment service, co-ordinate the various agencies for conciliation and adjustment, create a new agency to act as a clearing-house for ideas to improve industrial conditions and reclaim western lands, in

INDIANA COUNTY RESIDENT KILLED AND CURWENSVILLE MAN BADLY HURT

Dean H. Rankin, of Purchase Line, Indiana county a well known farmer and stock dealer is dead and William McClure, manager of the Central Hotel, Curwensville, is a patient in the Clearfield Hospital, suffering from fracture of both legs and other injuries, as the result of the Pennsylvania passenger train which passed through Clearfield at 11 o'clock this morning dashing into the automobile in which the men were riding at the grade crossing in front of the Pennsylvania station at Curwensville.

Rankin, who is widely known throughout this region, was in Clearfield on business this morning and had reached Curwensville on his return journey just a few minutes previous to the accident.

He had stopped at the Central Hotel, and when he again started for home, Mr. McClure, having some business on the south side got into the car, a Hudson roadster, to ride that far with him. The crossing where the accident occurred is but a few rods below the hotel. The car was squarely across the track when the engine which had slowed down for the station, struck it. The force of the impact rolled the big machine over like a log two or three times and the afflicted bystanders waiting at the station to the train, thought surely the men would be dead when taken from the wreckage.

Willing hands soon released the mangled bodies from the tangled mass and they were carried to the hotel, where Drs. King, Ake and Blair, gave prompt attention to their injuries.

Rankin was very badly cut and torn about the back and groin and suffered severely from shock. His death occurred within an hour after the accident.

McClure had both legs broken below the knees, but is otherwise in pretty good shape considering what he went through. He was brought to the Clearfield Hospital on the 1119 Pennsylvania train.

Mr. Rankin is one of the best known citizens of Indiana county. He has been a dealer in horses and cattle for many years and is quite well known in Clearfield. He was about 45 years of age and is survived by his widow and several children.

STOCK OPENINGS.

Prices were irregular at the stock market opening today. Trading was nervous and slow. United States steel opened at 102 1/4, up 1-8; Reading, 89 1/4, up 1-2; Marine 56, off 1-8; American Locomotive, 78 1/4, off 1-4; Bethlehem Steel B, 76 1/2 up 1-2.

SPANISH AMERICAN WAR VETERANS

All Spanish American War Veterans are requested to meet in the Council room Wednesday evening at 8:00 o'clock for the purpose of arranging for the coming reunion of the old Fifth Pennsylvania Volunteers.

Mrs. J. M. Roth, of Curwensville, was shipping in town yesterday.

order to help out the general program of making things better for those working and wanting work.

The President did not touch upon his work in Paris, except to say that it would be premature to discuss it until he could presently lay the whole matter before Congress in complete form. His sole reference to the league of nations in the message was to say that under its agencies of international counsel and suggestion on industrial problems had been created and it would be advisable to have a national body to do such work for the American workers and industry alone.

Hun Delegates Have Told What To Do

By FRED S. FERGUSON

(United Press Staff Correspondent)

PARIS, May 20—The German peace delegation has received its final instructions regarding the treaty it was believed today. Foreign Minister Brockdorff-Rantzau returned to Versailles from Spa yesterday with a definite policy according to reliable information. Just what transpired at the Spa conference is of course a mystery. It seems certain, however, that Germany will do one of three things—sign with as little thought as possible; sign after some of the present delegates have resigned to "save their faces"; or refuse to sign at all.

The general opinion appears to be that Brockdorff-Rantzau was told to sign. Most of the Allied delegates are now declared to doubt that the German treaty will not be signed before June 1. Others believe the treaty will not be signed before the middle of next month. The allies do not show any indication of softening the terms in the slightest degree.

NINE MEMBERS OF AMERICAN PEACE COMMISSION OFFER RESIGNATIONS

By LOWELL MELLETT

PARIS, May 20—Nine members of the American Peace Commission have offered their resignations as the result of dissatisfaction with the German treaty, it was learned today. Three of the resignations are said to be final. The others have been held in abeyance. Prof. A. A. Young, of Cornell University, Chief Economic Expert Dr. Isaiah Bowman, of New York, head of the Territorial Intelligence Division, and W. C. Bullitt, Expert on Russian Affairs, are said to be final withdrawals.

The names of the other six commissioners have not been made public pending further consideration by the Commission. The six are understood to have taken this action as an expression of disapproval of alleged compromises with the principles. The others, however, are unwilling to work longer.

FATAL ACCIDENT ATTENDS TRIP TO WRESTLING MATCH

While returning home from a wrestling match held at Blain City one man was killed and four injured, two probably fatally, when an automobile, in which they were riding, was struck by a freight train early this morning at the Blain City crossing of the Pennsylvania railroad. The dead: Wm. Paige, 23, head cut off. The injured: Bine Daisley, 30, internally hurt, condition critical; Edward Rineholtz, 32, injured internally, condition serious; Clyde Williams, 26, compound fracture of the right arm; David Brown, 18, compound fracture of the left leg. All the occupants of the automobile were residents of Boardman. Paige who was seated in the rear of the machine, was hurled directly under the wheels of a freight car.

WILL ORGANIZE AMERICAN LEGION POST

Messrs. Guy Lawncal and Worrall M. Jones, Clearfield county representatives to the American Legion convention at St. Louis have issued a call for the organization of a post of the Legion in Clearfield. This meeting will be held in the arbitration room of the Court House on Wednesday evening, May 21st, at 8 o'clock, and all service men are urged to come and affiliate themselves with the new organization.

The aims and objects of the Legion will be explained by those competent to do so, in addition to the report of Every service man who can possibly do so should be present on this occasion. The Clearfield post is to be the Clearfield county unit and service men in all parts of the county are urged to attend.

NC-4 ARRIVES AT PONTA DELGADA

Wash. The NC-4 arrived at Ponta Delgada at 10:21 a. m. Washington time, the Navy Department was advised officially today. The plane arrived in good condition according to the dispatch.

HORTA AZORES, May 20—All three of the American seaplanes are now accounted for, for the NC-3, the missing flagship of the squadron, came into the harbor of Ponta Delgada, yesterday under her own power, after having been 37 hours and 50 minutes at sea.

Commander Towers and the crew were in good condition, but fagged out for lack of food, because the NC-4 had carried rations for only one day.

Mrs. W. A. Neff is visiting friends in Ridgway.

Mrs. John Barne and daughter, Ruth have returned from Williamsport where they spent some time with relatives.

Cedric Hill of Cherry Tree, is attending to business here this week.

Ira Matthew, of Irvona transacted business in town today.

BOROUGH TAX RATE HAS BEEN RAISED TWO MILLS

EMERGENCY HOSPITAL AND LARGE EXPENSES NECESSITATE INCREASE IN REVENUE FROM TAXES

NEW PLAN FOR HIGHWAY DEP'T.

The regular semi-monthly meeting of council held in the borough building last evening was a very busy session. President Fletcher presided and nine of the twelve members answered present at roll call. Mayor Chase was also present and presented several propositions which he desired action upon.

Following the usual routine opening business the street commission rendered an account of activities of the street crew during the intervening two weeks, while Engineer Hess made report concerning sidewalk grades on Latimer and William street. On the latter street a first grade is being established and is meeting with the usual objections. The matter of this grade was referred to Highway department and Third Ward councilmen for investigation and report at next meeting.

The Engineer also reported progress on Fourth street relief drain and stated that this is a very big problem, as to just what to do in this situation, and there is grave necessity for relief from present conditions. The report concludes "But we do find that the present 24 inch sewer drain has but some six inches of fall from Pine street to where it passes under the main track of the Pennsylvania railroad, discharging through a stone box culvert, built under the railroad, no doubt, back in '68 or when the track was first laid. This, with the bad laying and settling of this part of the pipe, back to Pine street, means that the existing drain carries only about one-half of what it should carry."

Borough Solicitor Urey presented ordinance providing for the paving with brick of the alley leading from Third street to the intersecting alley in the rear of the old Opera House site, two-thirds of the expense of said paving to be paid for by the property owners adjoining.

Messrs. A. H. Woodward, E. V. Brown, S. L. Driggs and R. M. Ellis were present and again asked that Locust street from Second to Fourth be paved with brick, now that it had become very much of a business street with its consequent heavy traffic. They presented a second petition from the property owners on the street. A great deal of discussion following the proposition and the matter of putting the paving project in Clearfield on the basis of the law now generally in operation throughout the state whereby one third of the cost of such paving is assessed against the abutting properties on each side of the street and the remaining one-third to be paid by the borough.

It was finally decided to direct the Engineer to make an estimate of the cost of paving Locust street and report at next meeting at which time the question of proceeding with the work and the plan of doing same could be decided.

The Highway department presented an innovation in their department when they recommended that a foreman be provided for each ward whose duty it would be to look after street work in his respective ward under the direction of the street commissioner. The idea of the Highway department is that under such a plan it would be possible to keep the dirt streets and sewers in better shape and would get quicker action on complaints from the different sections because on account of the growth and size of the town it is impossible for one man and one crew to get to all sections of the town at the time their services are actually needed. The

recommendation was unanimously adopted and will be given a trial.

The Finance Committee made their report and recommended that an increase of one mill be made in the Borough fund tax for the year, such increase being necessary at this time to provide for repayment to the bond fund of the \$5,000 borrowed from the latter fund to pay the Emergency Hospital expense. The matter of finances were discussed at length and when it was shown that the expense of council for last year were approximately \$15,000, and under the proposed millage not more than that sum would be raised this year it was unanimously decided that the millage and growing expenses and the repayment of the bond fund loan necessitated the addition of another mill of a tax. The millage for 1919 was then set as follows:

Borough fund 7.5 mils.	\$225.00
Bond fund 5 1-4 mils.	\$225.00
Light and water 1 mil.	\$225.00
This makes a total of 15 mils borough tax on an increase of two mils over 1918.	
According to the Finance Committee report, which was read to council, the expenditures of the borough fund for 1918 were as follows:	
Street and sewer department	\$2455.00
Police department	\$225.00
Fire department	\$750.00
Engineering	\$225.00
Legal and office departments	\$1012.00
Stable department	\$1000.00
Emergency hospital	\$1000.00
Board of health	\$225.00
Compensation insurance	\$225.00
Sundry miscellaneous	\$225.00
Total Borough expense for '18	\$12,175.00
*Emergency hospital loan from bond fund	\$5,000.00
Grand total	\$17,175.00

A petition for a sanitary sewer on North Fourth street, East End, was read and referred to Sewer department.

Burgess Chase asked that something be done toward opening or fixing up Fifth street and again demanded that some action be taken to force the Pennsylvania Railroad to do something toward improving conditions on Third street. The Highway department recited what has been done thus far but further action is insisted upon by the Burgess.

The question of paving of alleys in the business section was discussed generally and it was shown by the Highway department that council has already passed favorably upon the request of abutting property owners to pave approximately one thousand feet on different alleys and under the rule providing for two-thirds payment by the property owners if all these improvements are made this year the borough's share of the paving where brick is used on an ash base will be \$900, while if concrete slab is put down the borough's share would total \$1300.

HAD FOOT CRUSHED.

A New York Central brakeman, whose name is Joyce, and whose home is at Jersey Shore, had a foot badly smashed while at work on a freight train near Charnock yesterday. In crossing over a car he got his foot between the draw-head and end sill and when the cars came together he was very seriously injured. He was brought to the Clearfield Hospital.

W. C. Potts, of Delmar, has been acting business here recently.

NEWS OF OUR NEIGHBORS

CURWENSVILLE

CURWENSVILLE OUT TO DO HER LIMIT FOR CENTENARY

During the past week we often heard the question, "What is the Centenary? What is it for?" Here is the idea back of the Centenary. The Methodist Episcopal church, will celebrate the one hundredth anniversary of its missionary society by raising \$80,000,000 for mission work at home and abroad, and \$25,000,000 additional for War Reconstruction work, both here and abroad.

The money thus raised will be spent in establishing schools colleges and hospitals. Churches that will care for the interests of the community will be created. The rural sections the congested center, the immigrant, the needy at home as well as those of foreign lands will be looked after and cared for. When we think of the seven million men who gave their lives we realize that we thru our churches, must now give of our substance and give to the limit. To fail in this would be to break faith with those who lie in Ponder's Fields.

When the reports came in Sunday evening, it was more than encouraging to learn that Curwensville had raised almost the full amount of her quota for the entire five years which this movement will cover \$22,000 or an average of \$4,400 a year. When the final reports are handed in on Wednesday evening there is every reason to believe that the needed amount of \$1,400 will be covered.

Mrs. D. Porter McClure died at her home on Filbert street, Monday evening at 7 o'clock after an illness covering several months.

Mrs. G. F. Kittleberger and Mrs. M. A. Caldwell, attended the final meeting of the chairmen of the various committees for the Victory Loan drive at the Presbyterian church at Clearfield yesterday.

Miss Marjorie Hudson is visiting with friends at DuBois, Pa.

Dan Irwin who has been overseas for several months serving in the radio-signal branch of the service arrived home on Saturday evening having been mustered out at Camp Mills. Dan says that while he had a wonderful experience, he has had enough of army life and especially of army doctors.

A. Davidson will leave tomorrow for Butler, Pa., where he will attend the funeral of his sister, Mrs. W. R. Golf whose death occurred at that place.

Let Us Send You a "Swift Dollar"

For a Pocket Piece

It will interest you.

It shows where the money goes that Swift & Company takes in.

It shows that out of every dollar received by Swift & Company from the sale of meat and by-products in 1918—

- 1—Swift and Company paid for live animals - - - - - 85.00 cents
- 2—Swift & Company paid out for labor, freight and other expenses - - - - - 12.96 cents
- 3—Swift & Company had left a profit of only - - - - - 2.04 cents

Total 100.00 cents

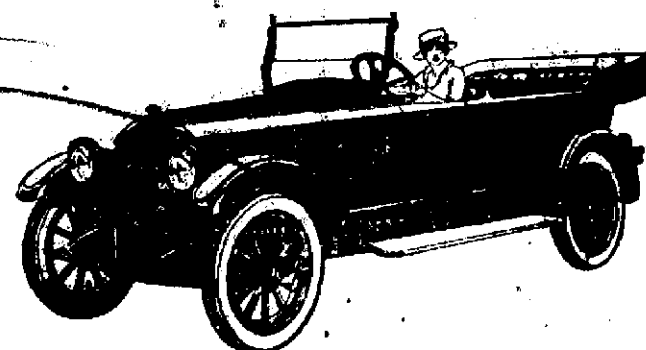

The 2.04 cents remaining as profit equals only a fraction of a cent per pound. It is too small to affect materially the price of live stock to the farmer or the price of meat to the consumer.

A "Swift Dollar" will be mailed you on request. Address

DID HE HAVE GASTRITIS OR CONSUMPTION?

Doctors didn't know. Anyway,
Mr. Baker is well now. Feels
like he did at sixteen.

"One year ago in September I was
taken down; couldn't eat, sleep or work.
The doctors didn't know exactly what
was the matter. Some said I had
gastritis, some said consumption,
and others, cancer. Anyway, I
was given up to die."

"A friend persuaded me to try Milk
Emulsion. In 3 or 4 weeks, the sore
ness went out of my lungs, the aching
pains vanished from between my shoul-
ders, and I began to eat and sleep, and
work a little. Also the miserable long
coughing fits began to ease off, and
that heavy weight in the left side of my
stomach that hung like a huge iron ball
disappeared."

"By the time I had taken 21 bottles
I could eat anything, sleep like an in-
fant, and the old time vim and nerve
had come back. I felt like I did when
I was sixteen."—Lynan Baker, Star
News, Scrabble, Pa.

"The old stomach and
bowels working right, and most ailments
start to leave. Strength comes back,
back is regained, and the whole system
begins to work like a new machine. I
am guaranteed, so it does nothing to try."

"Milk Emulsion is a pleasant, nutri-
tious food and a corrective medicine. It
does away with all need of pills and
drugs. It promotes appetite and quick-
ly restores the digestive organs in shape to
digest food. As a builder of flesh
and strength, Milk Emulsion is strong-
ly recommended to run-down nervous
people, and to all who are suffering from
any form of tuberculosis of the lungs,
chronic stomach trouble and
consumption are promptly relieved—just
eat it and you will see the difference."

"This is the only solid emulsion made,
and so valuable that it is eaten with a
spoon like a cream."

"I have been using it for several months
and it has made me a healthy, active
man. I am now able to do all my work
and am not troubled with the
coughing fits and other ailments
which I suffered from before."

"If you are troubled with any of the
above mentioned ailments, you
are urged to try Milk Emulsion under
this guarantee: Take six bottles home
and if you are not satisfied with the
results, your money will be promptly
refunded. Price for six bottles, \$1.25, per
bottle, 20c. The Milk Emulsion Co., Terre
Haut, Ind. Sold and guaranteed by
Stewart's Drug Co.

Y. W. C. A. Provides Home For Actresses at Camp Dix, N. J.

Actresses who play in the Liberty Theater at Camp Dix, N. J., find a touch of home in the Players' House which the housing committee of the Young Women's Christian Association, of which Mrs. John D. Rockefeller, Jr., is chairman, operates for them. Because of the distance from any town where they might stay, it was necessary to provide some sort of living accommodations for the actresses. The Y. W. C. A. built the house, supplying it with all conveniences such as sewing machines, washbaths and ironing boards. Camp Upton, L. I., has a similar house.

Y. W. C. A. UNIFORMS TO CLOTHE STUDENTS

Suits Worn by War Workers Will
Be Given to Penniless Stu-
dents in Switzerland.

Official uniforms of the Young Women's Christian Association minus the Blue Triangle, the Association insignia, will be worn next winter by women students who have been stranded in Switzerland during the war and who, because of lack of funds, inability to re-enter their native country, a desire to finish their university courses or because they have no family to which to return, will remain there next year.

Elizabeth M. Clark, who has been in Switzerland for ten years under the World Student Christian Federation, has appealed to the National Student Committee of the Y. W. C. A. for clothing for the 300 foreign women students in Switzerland. The scarcity of clothing last year among these almost penniless students made it necessary for two girls to share one coat so that only one could go to classes or go out of doors at a time.

Four large packing cases of all kinds of used clothing, save hats, which is in good condition, have been collected last year from women college students in the New England States, Ohio, West Virginia, Pennsylvania, Maryland and Delaware by the Student Committee of the National Y. W. C. A. to be sent over in response to Miss Clark's appeal. This clothing will be dyed, cleaned and made over in Switzerland.

In addition to the clothing collected from students in colleges nearest New York a case of uniforms, which have been turned in by Y. W. C. A. secretaries who did war work, and the official gray uniform slacks is being sent. As uniforms are being turned in by war workers they will be claimed by the Student Committee, which will remove the insignia and prepare the uniforms so that they may be worn by these women who have been forced by world events to remain in Switzerland for several years.

QUEEN MARIE INVITES Y. W. C. A. TO RUMANIA

Extends invitation to Overseas Work-
ers in Paris.

Paris, April 21.—Queen Marie of Rumania, following a conference with a representative committee of the American Y. W. C. A., held at the Ritz Hotel, Paris, has invited the American Young Women's Christian Association to come to Rumania and open work under her patronage.

Among the representatives of the Y. W. C. A. present at the conference were: Miss Harriett Taylor, head of the American Y. W. C. A. work overseas; Miss Mary Anderson of Hudson, Wis.; Miss Mary Dugan, head of the Y. W. C. A. industrial work in France; Mrs. Margaret B. Fowler of Pasadena, Cal.; and Miss Charlotte Nissen, head of the Y. W. C. A. work in Italy. A notable guest at the meeting was Madame Caturji, wife of the secretary of the Rumanian legation in Paris.

Y. W. C. A. WORKER
IS DECORATED.
Miss Marion Porter of New York City was decorated the other day in the name of the Chaplain General of the American army with the Church War Cross.
Her citation was for her moral and spiritual contribution to the war.
For more than a year Miss Porter has been at a hospital center in Vitel, France, as a representative of the Y. W. C. A. in charge of a nurses' club there.

Harold, infant son of Mr. and Mrs. Homer Campbell, died at their home in Wellsboro on May 16th.

PROHIBITION TO BRING COMMUNITY PLAYHOUSE

Hazel MacKaye Advises Using Build-
ings as Centers for Drama, Com-
munity Songs and Enter-
tainments.

Why not turn the corner saloon into a community playhouse when the law effects the closing of these gathering places, asks Miss Hazel MacKaye, director of the Department of Pageantry and Drama of the National Young Women's Christian Association?

"I went over on the West Side of New York one night recently to attend a community drama meeting," Miss MacKaye says in explaining her theory, "and as I was riding along I noticed how many saloons there were—one on every corner and another in the middle of the block. These lights ought not to go out with prohibition. They ought to shine for something worth while to all of the people, and what better than community drama and songs?"

Miss MacKaye feels that the war has given a great impetus to popular interest in drama and that through pageantry and drama a great deal in the way of Americanization can be effected.

Through the community center, if it be in a district populated largely of one foreign nationality, these people could present pageants of the life in their mother countries, translating them into English, so that American students and the younger English speaking members of their household could understand and appreciate their traditions. American art would be greatly enriched thus through the drama of all of the nations whose people have settled in this country. On the other hand American ideals, American history and American festivals, even laws, such as child labor and minimum wage, could be interpreted to these people by means of pageantry.

"People have been learning not only to work together, but to play together," Miss MacKaye says, "particularly since the war, when the people stood together in drives and large patriotic community entertainments. The opportunity to build up a great community organization is now at hand, and the time is ripe for it. Why not utilize the corner saloon?"

DEPARTMENT ADVISES ON PLUMBING AND CURTAINS

New Bureau Opens in Y. W. C. A. Overseas Office.

A new department of finance has been organized by the Y. W. C. A. for its work in France. Miss Constance Clark of Pasadena, Cal., is the executive. Miss Clark before her recent coming to France was director of the big Y. W. C. A. Hostess House at Camp Lewis, Washington.

All contracts, leases and rentals for new buildings will be handled by Miss Edith Austin of New York City, an experienced architect and builder, who will work through this newly created section.

Plans for remodeling and decorating rooms, clubs and hostess houses taken over by the Y. W. C. A. will be in the hands of Miss Mary Buchanan, an interior decorator, who comes originally from Scotland, but who has been working in France for the American Y. W. C. A. since the beginning of its war work there.

In addition, the department is compiling lists, suggestions and general shopping guides for all the buying of the Association in France, including all kinds of building equipment from entrance curtains to plumbing supplies.

A cafeteria expert will have a place in the department to act as general advisor on restaurant and cafeteria projects of the Association throughout France.

In short, the department is to be more than finance alone. It is to be a kind of general advisory department and clearing house for all other departments in the French association, a department where dollars will be measured up against deeds and needs.

Mrs. S. A. Rowe entertained last week in honor of her daughter-in-law, Mrs. Arthur Rowe, Jr.

Corns Peel Off Painlessly

There's Only One Genuine Corn Peel-
er—That's "Gets-It!"

There's only one happy way to get rid of any corn or callus, and that's the painless peel-off way. "Gets-It" is the only corn remedy in the world that does it the easy way—effectively.

"3 drops of 'Gets-It'—Corn is doomed."

thoroughly. Why get down on the floor, tie yourself up into a knot and have to fool with "packaged" plasters, greasy ointments that rub off, sticky tape, and digging knives and scissors, when you can peel off your corn or callus in one complete piece, peacefully and surely with magic, simple, easy "Gets-It"? It takes 2 or 3 seconds to apply "Gets-It"; you use 2 or 3 drops, and that's all. "Gets-It" does the rest! Get rid of that corn pain at once, so that you can work and play without any torture. Be sure to use "Gets-It". It never fails. "Gets-It" is guaranteed, money back corn-remover, the only sure way, costs but a trifle at any drug store. Manufactured by E. Lawrence & Co., Chicago, Ill.

Sold in Clearfield and recommended as the world's best corn remedy by Stewart Drug Co.

REMBRANDT PEALE JOINS DIRECTORATE OF LOCAL BANK

Mr. Rembrandt Peale has accepted appointment to the Directorate of the County National Bank of this place to fill the vacancy caused by the death of the late Fred G. Betts. It will be a pleasure to Clearfield business people to know of this closer identification of Mr. Peale with the business of our section. He is probably the largest shipper of coal on the New York Central line, and it is but fitting, when he is willing to become identified with our financial business, that he should be placed on the Board of Directors of the oldest and largest institution in the section.

Gossip for Tonight's Tea Table

Mr. and Mrs. Lewis Stock who were recently married at Binghamton, Ala., are visiting the former's parents Mr. and Mrs. John Stock on S. Second street. Mr. and Mrs. Stock will make their future home in Meadville, Pa. Mrs. H. G. Gulbrahn spent yesterday with friends here.

Mrs. Charlotte Hoyt Lanich, is spending a few days with her husband's parents, Mr. and Mrs. William Lanich in Penfield. G. L. Fletcher of Mahaffey, spent yesterday here transacting business. Nathan Sealey, of New York, is visiting his cousin, Paul Morrison of Pleasant Dale.

George Rumberger of Houtzdale attended the dance in the Dimecling last night. Miss Pearl Peters has returned from visiting relatives in York, Lancaster, and Harrisburg.

Mrs. Henney, of Bellefonte spent the week-end with her husband at the Dimecling. Miss Carrie Reijer has returned from visiting friends in Karthaus. Mr. and Mrs. J. C. Leonard of Bald Hill were shopping in town yesterday.

Mrs. Fred Rogeaux of Frenchville, is spending a few days with friends here.

Mrs. Arthur Row, Jr., returned to her home in Canton, Ohio, today after visiting her parents, Mr. and Mrs. M. R. Ogden on Ogden avenue. Thomas Lowell, of Penfield, attended to business here yesterday.

Mrs. Chester Cortes has returned from pending a few days with her husband in Johnstown.

Mrs. S. C. Wilson has just returned from Bedford and Centre county, where she conducted some very successful W. C. T. U. membership campaigns.

Mrs. A. C. Davis, of Nichols street, who underwent an operation at the Clearfield Hospital yesterday is getting along very nicely today.

Mrs. L. C. Meise, of Fourth street, was operated upon at the Clearfield hospital yesterday. Her many friends will be pleased to know she with stood the operation finely and is already convalescing satisfactorily.

Ralph W. Baker, son of Rev. and Mrs. C. W. Baker, of 118 N. Third street, and a senior of Gettysburg college is a member of the Glee Club, and blows the French horn in the orchestra, and takes the part of "Tony" in "When Tony Goes Over the Top." He also expects to spend Sunday next with his parents here.

Miss Huldah Johnson is visiting friends at Jersey Shores.

COLLEGE OF MUSIC ANNUAL COMMENCEMENT

The Thirteenth Annual commencement of the Susquehanna College of Music, will be held in the college auditorium on Thursday evening next.

Due to the fact that there are no graduates this year the commencement will take the form of a recital by the under-graduates. This will bring before Clearfield music lovers the best talent that has been developed during the year and it will be a delightful occasion.

There is no charge for the recital and the public is cordially invited to be present.

Y. M. C. A. NOTES.

A moving picture was taken yesterday of the different Y. M. C. A. gymnasium classes which will be shown in the Theater next week. Over 200 boys and girls were in the different classes and acted for the movie.

All the returned soldiers, of the city and suburban towns are requested to meet at Y. M. C. A. Wednesday evening at 8:00 to plan and rehearse their drill and athletic events they will hold at the park under the auspices of the Elks for the benefit of the Salvation Army Thursday afternoon, May 23.

TAXPAYERS' ATTENTION.

All persons owing 1915 taxes must make payment on or before June 1st, otherwise their account will have to be let for collection. I am compelled to settle my 1915 duplicates by that time and must have the taxes. Save trouble and additional expense by heeding this notice. ED R. TAYLOR, m20-6t-ch. Tax Collector.

Edison Claims Are Proven!

IN selecting a phonograph, don't depend upon unsupported claims, seek actual evidence. There are many devices for sound reproduction offered and strong claims are made for each. But there is but one instrument, the makers of which have ever submitted proof of the assertions made about it. That instrument is

The NEW EDISON

"The Phonograph with a Soul"

Just what is claimed for this instrument? Merely this: that a RE-CREATION of an artist's voice as instrument upon the New Edison, is so flawlessly perfect that no human ear can distinguish between the interpretation of the living, breathing artist and that of the New Edison. Nor is this a mere assertion. More than 2000 public tone tests in which the artists sang or played in direct comparison with the instrument have been held. More than 2,000,000 people have attended them. And out of this vast assemblage not one person has been able to say when it was the living artist he heard and when the New Edison. No other instrument has ever been subjected to the searching tone test. No other instrument could sustain such a test.

Make it a point to drop in tomorrow and hear a demonstration of the New Edison.

RECORDS OF THE IRON DIVISION

It is a part of the distinguished record of the 28th Division that it sustained heavier casualties than any other in the American Expeditionary Force except three divisions of regulars. Those got into action earlier and bore practically all the losses previous to Foch's great counter-offensive. When that got going the Pennsylvania soldiers were in the thick of the combat from the Marne to the Vesle and again in the Argonne, where they suffered severely.—Philadelphia Record.

A GOOD START

The American Legion has started out well. It has succeeded in dodging many pitfalls that were in its path at the first meeting. It had focussed upon it at St. Louis the eyes of the country, and it had to submit all of its action and plans to close and critical scrutiny. There was on every hand the temptation to make mistakes. It emerged from its first test with flying colors. Nothing that it did was in any way irreconcilable with its professions of nonpartisanship, although in the list of delegates were many strong partisans, who were looking for a chance to turn the meeting to political advantage on one side or the other. Philadelphia Press.

LET US HONOR THE EIGHTIETH DIVISION

The famous Eightieth Division is sailing for home at last and by possibly the first of June the boys will be back. A very great number of Clearfield and Clearfield county boys are members of the Eightieth Division. Nearly every community in the land have received properly or are making the necessary arrangements to give their boys a fitting reception when they arrive home. What is Clearfield doing towards the reception of her returning heroes?

'Tis true many of our brave boys who served in other units are already here but they came in small groups and no attempt at organized reception could be made. With the Eightieth Division it is different. When those boys get back they will come home together en masse as they went away and it seems to us our Clearfield people would be lacking in their patriotic duty were they to fail to get busy and give all the returned soldiers and the community in general the biggest time this staid old town has ever seen.

Let us show our appreciation in this way at least once and the Eightieth homecoming appears to us to be the time for that once.

What do you think neighbor, and who will start the movement?

CITY TEAM WINS

FIRST GAME

Hip! Hip! Hooray! The Y. M. C. A. Twilight League was started last night with spirit and pep. All of our garages furnished autos and hauled the players of the five different teams to the Driving Park, where Mayor John M. Chase officially opened the league by throwing the first ball.

A large crowd of baseball fans were present to see the City Team defeat the Y. M. C. A. team in their merry-go-round game of 20 to 13, in favor of the City Team.

The game was fast and funny and perhaps will hold the season's record for runs, hits and errors. Those twilight league games will be played every Monday, Tuesday, Thursday and Friday evenings and will start at 6:15.

The Third Ward Team will play the New York Central team tonight.

Everybody invited, free of charge.

to these games. Wilson and Smith were the batteries for the Y. M. C. A. and Roseberry and Learish for the City.

STATE HEALTH NOTICE

The Department of Health, State of Pennsylvania, has opened a prophylactic of immediate treatment station, at the Clearfield Hospital for use of discharged soldiers and civilians. There is no charge for service or treatment which will be available 24 hours a day, the purpose being to minimize the spread of venereal diseases.

BUY

A BAD JOB

Everyone with property or other money interests should make a will.

Whom are you going to appoint as your Executor or Trustee?

It is the business of the Clearfield Trust Co. to act as the Trustee or Executor of Estates.

Don't leave your Estate in hard knots for your wife and children to unravel after you are gone. They will make a bad job of it.

You can make no mistake in talking this important matter over with us.

NOTED GETTYSBURG GLEE CLUB TO BE HERE TOMORROW

Gettysburg College was founded in 1832 by the Lutheran church "for the main purpose of educating young men for the Gospel ministry." From a very humble beginning, the college has grown rapidly until it has taken rank with the very best Classical colleges in this country.

At present it has 18 large buildings, a large endowment, a faculty of 40 professors and teachers and over 800 students. Situated on the greatest battlefield of the Civil War, its location is most advantageous, since literally hundreds of thousands of people from all over the world, visit Gettysburg every year. As the older buildings were used as hospitals during and after the battle, most of the tourists visit the college and its beautiful 40 acre campus.

One of the strong features of the college this year, is its superior musical organizations. The 26 young men who compose the college orchestra and Glee Clubs, and who will appear on the platform of the High School auditorium on Wednesday evening, May 21st, are declared, by "the Chambersburg Valley Spirit" to be "the best equipped and most gifted musicians ever sent out by the college at Gettysburg, or any other College ever heard here. So we are sure that a real and rare treat is offered to the music lovers of Clearfield.

C. W. BAKER,
Pastor Lutheran Church.

BRITISH ATTEMPT AT TRANS-OCEAN TRIP A FAILURE

London, May 20 (Tuesday)—Harry Hawker's daring attempt to claim for Britain the laurels of the first air flight across the Atlantic from America has ended in disaster.

Shortly after 6 o'clock last evening (New York time) the admiralty made the announcement that the Sopwith plane had been forced to make a landing off the Irish coast 40 miles from the mouth of the River Shannon.

Up to that hour London had been praying for a miracle that somehow both Hawker and Commander MacKenzie Grieve, his navigator, might alight in Ireland or at Brookland. Then London prayed that Hawker and Grieve may be alive. Hope of winning the flight has been abandoned.

Hawker Is Lost

LONDON, May 20, 2:20 p. m.—Neither the Admiralty or the Air Ministry has received at this hour any news regarding the fate of Harry Hawker's machine in which he flew from Newfoundland. All available ships are searching for the machine.

GEORGE W. MOHNEY DIED AT DU BOIS HOSPITAL

George W. Mohney an old time resident of Rathmel died at 1:55 o'clock yesterday afternoon at the Maple avenue hospital, DuBois following an illness that has extended over a period of six years. Gangrene was the cause of his death.

Mr. Mohney was born in 1840, on Washington's birthday and was named after the illustrious American. At the time of the outbreak of the Civil War, Mr. Mohney volunteered and served with distinction. Following the war Mr. Mohney settled near Rathmel, where he became prominent in the locality as a man of the greatest integrity. He lived there until two years ago when his wife died and he went to Ellwood City to make his home with a son. Six weeks ago he went to DuBois to visit with his daughter, Mrs. Andy McGinness. Shortly after arriving he was taken sick and removed to the hospital.

Seven sons and four daughters survive as do forty grandchildren and six great-grandchildren.

The remains were removed to the home of Mrs. McGinness, 19 Rumburg or avenue, where funeral services will be held on Wednesday afternoon at 2 o'clock. Burial will be made in Reynoldsville. W. A. Mohney, of the Fourth Ward, is a son of the deceased.

BODIES OF FBICK MEN FOUND

Henry E. Fisher was advised by phone, by his daughter, who is over at Claysburg, Pa., that the bodies of his brother, W. C. Fisher, of Claysburg, and J. L. Miller, of Fort Matilda, Pa., with the other five men drowned in the Juniata river near Lewisstown on Saturday, May 10th, had been found. Mr. Fisher's funeral will be held at Claysburg at 11 o'clock tomorrow.

Geo. M. Rosser is in attendance at the Furniture Exhibition at Jamestown, N. Y.

THE MEN BEHIND THE DOUGHNUT GIRLS

Credit for the service rendered the Doughboys by Salvation Army lassies is due to these men of the motor division.

Frying doughnuts, baking pies and making cocoa and coffee for the American troops in France was but one of the many branches of the Salvation Army's activities overseas and seemingly one that won its way straight to the hearts of the doughboys.

It was often difficult to obtain supplies and were it not for the light motor trucks and their crews of Salvation Army workers the service close to the front line trenches would have been almost impossible to maintain.

The Salvation Army motor corps did their sturdy parts in bringing the doughnuts to the doughboys. The Salvation Army did not leave all its "pep" in France. On May 19th, the great campaign for \$13,000,000 for the Home Service Fund will be launched. The success of the drive will relieve the Salvation Army workers of the necessity of soliciting contributions in public places—the method in vogue for many years, and enable them to devote all of their time to relief work.

"FAKE" ASPIRIN WAS TALCUM

Counterfeiter Caught! The New York health authorities had a Brooklyn manufacturer sentenced to the penitentiary for selling throughout the United States millions of "Talcum powder" tablets as Aspirin Tablets.

Don't ask for Aspirin Tablets—Always say "Bayer."

Don't buy Aspirin in a pill box! Get Bayer package!

Always say, "Give me genuine 'Bayer Tablets of Aspirin.'" Insist you want only the Bayer package with the "Bayer Cross" on the package and on the tablets.

The genuine "Bayer Tablets of Aspirin" have been proved safe by millions for Pain, Headache, Neuralgia, Toothache, Earache, Rheumatism, Lumbago, Colds, Grippe, Influenza Colds, Joint Pains, Neuritis. Proper dose in every "Bayer" package. American owned!

Boxes of 12 tablets—Bottles of 24—Bottles of 100—Also Capsules. Aspirin is the trade mark of Bayer Manufacture of Monaceticacidester of Salicylicacid.

EXHIBITS FROM EVERY CLIME

All Countries to Be Represented at Methodist Centenary.

BUILDINGS BEING ERECTED

Art, Medical and Educational Exhibits at the Celebration at Columbus to Be Held June 20 to July 13, Will Reveal the Progress of Christianity the World Over—All Nations Will Mingle at Exposition Grounds.

The visitor who comes to the Methodist Centenary celebration at Columbus, June 20 to July 13, will find himself transplanted to a large park of more than 100 acres, which has cost the state of Ohio millions of dollars to develop, with an immense oval in front of which is an amphitheater seating 50,000 people, the Coliseum with a seating capacity of 8,000, and eight exhibit buildings with a floor space of 200,000 square feet scattered over these exposition grounds.

The exhibits will come from every part of the world. Settings built under personal direction of men who have just returned from the countries represented are now in construction. Later, natives will begin to arrive, bringing their strange customs, costumes and industries. A true picture of the lives of these people is the aim of the directors of the Centenary. A miniature Ganges river actually flowing through the India building is the center of queer heathen religious customs. Here will be found the Hindu temple, Mohammedan mosque and sacred monkey temple, filled with chattering monkeys. Here, too, the sacred pigeons will be fed every day, amid much ceremony, and a fakir on his bed of spikes proves to less stoical observers that his soul is above the trivial sufferings of this world.

An Indian bazaar, overflowing with silks, wrought metals, idols and flower shops, occupies a large part of the India building. Public letter writer, sweetmeat seller, teeth-cleaner, beggars and curio seller mingle with the crowds of sightseers.

Indian village scenes and an Indian marriage procession, with the bridegroom riding an elephant, are included in the plans of Dr. Lewis E. Hazel of India, who is in Columbus to direct this building for the Centenary.

In an immense Kafir kraal, containing five full sized huts and a cattle enclosure, 60 Ethiopians will be found working at various typical industries, as a part of the African exhibit. The desert life of northern Africa, with Bedouin tents and Moorish town, is pictured in another section of the African building. This exhibit is directed by J. T. C. Blackmore of Algeria, who is also directing a reproduction of early Roman civilization in the same building.

Another part of the African building is devoted to Roosevelt and Rainey motion pictures, episodes from the life of Dr. David Livingstone, lion hunts and Kafir dances, the Uganda railway and African mission scenes. Other sections of Africa are fully represented in the large building which is under the direction of Dr. E. H. Richards of Oberlin.

The high gray walls of a Kwang city confront the visitor at the entrance to the Chinese building. At the left is a farm scene; inside the walls are the principal exhibits, including a large Chinese restaurant, open to the public; curio shop, money exchange, Confucian temple, typical Chinese homes, and a Methodist church such as is found in the Celestial republic.

Art, medical and educational exhibits revealing the progress of Christianity in that country form a part of the plans of Dr. John M. Gowdy of Fuchau, who, with Y. C. Yong of the Chinese legation in Washington is directing the building.

Devastated France and Belgium are realistically reproduced in the European section, under the direction of Dr. E. M. Tipple, who has recently returned from abroad. The reproduction of a ruined French cathedral which seats 500 people will be used for lectures and pictures. Through the shell-shattered walls are seen the plains of Lombardy and ravaged Belgium.

Separate sections dealing with Russia, Scandinavia and the Balkans occupy a large share of the European buildings. Dr. G. B. Winton, Dr. W. H. Teeter and S. A. Neblett are in charge of South American, Cuban and Mexican sections.

A Japanese garden, with wishing bridge, lily pond, pergola and pavilion, is being built for the Japan building by a Japanese expert gardener. A gold mining scene and the famous Hiroshima kindergarten will also be reproduced in this section. Dr. E. R. Bull, formerly of Tokyo, is in charge of the Japan building. Exhibits from Korea under Dr. W. H. Cram of Nashville, Tenn.; from the Philippines under Dr. Harry Farmer of New York, and from Malaysia under Dr. J. R. Denyes of Pittsburgh, will be held in the same building.

Two large administration buildings are devoted to scenes and exhibits from every corner of North America, under the direction of Dr. Ralph E. Diefendorfer of New York. Alaskan and Pueblo Indians, mountaineers,

New York shopkeepers and California Japs will be found working at their various industries, and living in widely contrasting environments. A typical southern plantation scene and a Mexican village will be picturesque features of the building. The purpose of these exhibits is to emphasize the work of the church in the diversified sections of United States and Canada.

A machinery hall, containing 40,000 feet, will be filled with photographs, charts, books and miscellaneous exhibits from all countries represented in the exposition.

"WITH ALLENBY IN PALESTINE"

Sacred Views Also to Be Shown at Methodist Celebration.

Photographs by Lowell Thomas, Famous Lecturer and Writer, Offers Rare Opportunity to Witness Military Operations at Celebration at Columbus, June 20 to July 13.

Would you like to fly from Cairo to Jerusalem?

Would you like to hover over the pyramids and cross, in a few minutes, the country over which the Israelites wandered for 40 years?

Would you like to stand in the cave of Machpelah, before the tombs of Abraham, of Isaac, of Jacob, of Rebecca, of Rachel, where only three Christians have ever stood?

Would you like to go "rose-diving" over Bethlehem at the rate of 150 miles an hour?

Would you like to see Allenby's soldiers capture Jerusalem and Jericho and Christian sentries guarding the Mount of Olives and the Garden of Gethsemane?

The opportunity to do all these will be presented at the Methodist

LOWELL THOMAS. Lecturer and Writer Who Will Tell of His Wonderful Adventures in the Holy Land With the English Army Under General Allenby.

Centenary celebration at Columbus, O., June 20 to July 13, in the Lowell Thomas travelogue, "With Allenby in Palestine." For, in this talk, illustrated by amazing moving pictures and still photographs, the first authentic eye-witness account by a fully accredited observer of this dashing campaign will be given.

They show the great military operation from its beginning to its end when the Turk had been driven out of the Holy Land and Allenby stood astride the Berlin-Bagdad railroad at Aleppo, ending the Mittel Europa scheme of the Kaiser and the pan-Germans forever.

But they show more than that. They show all the sacred places of which Christians have heard since their childhood. They show how the places look today and how the people of Palestine are actually living. They show almost everything that one would care to see or know of Palestine—certainly more than any ordinary traveler could see in half a dozen visits to that country.

These travelogues have obtained the unanimous indorsement of the clergy of New York city. They will appear at Columbus during the entire time of the great Methodist celebration.

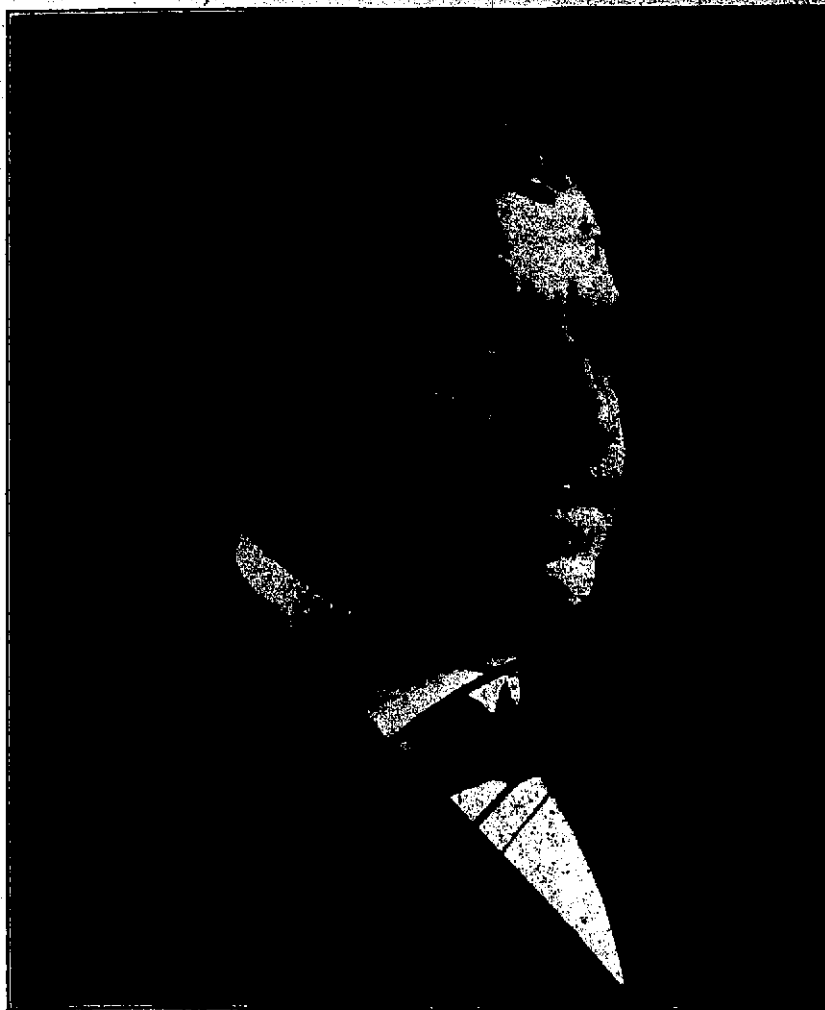

HAVE ODD CAMPING PLACE.

How would you enjoy living in the horse exhibit building at the exposition grounds, chaperoned by hideous Chinese idols by Kali, the Goddess of Murder, and numerous other deities more powerful than they are beautiful? That is what a dozen young women from New York and New Jersey are doing at Columbus, O., where the Methodist Centenary celebration will be held June 20 to July 13.

"Don't think for a moment that we are not having a fine time," said one of the young women. "Our quarters upstairs are quite cozy. We even have a piano, and it is like a vacation for us to be camping out here. Besides the work of classifying and arranging all these wonderful foreign exhibits is fascinating."

HOW RHEUMATISM BEGINS

The excruciating agonies of rheumatism are usually the result of failure of the kidneys to excrete poisons from the system. If the irritation of these uric acid crystals is allowed to continue, incurable bladder or kidney disease may result. Attend to it at once. Don't resort to temporary relief. The sick kidneys must be restored to health by the use of some sterling remedy which will prevent a return of the disease. Get some **GOLD MEDAL Elixir**. It has brought back the joys of life to countless thousands of sufferers from rheumatism, lame back, lumbago, sciatica, gall stones, gravel and other affections of the kidneys, liver, stomach, bladder and allied organs. They will attack the poisons at once, clear out the kidneys and urinary tract and the soothing healing oils and herbs will restore the inflamed tissues and organs to normal health. **CALL OTHERS AND IMITATIONS. Ask for GOLD MEDAL and be sure the name GOLD MEDAL is on the box. Three sizes, at all good druggists.**

COLONEL KERR HOPE SOON.

Colonel Fred Kerr expects to sail for home with his Twenty-third Engineers the latter part of the week. Mrs. Kerr was advised by the Colonel that he would arrive in Brest tomorrow, the 21st, and will likely get away for home before the end of the week.

That Salvation Army Smile

Several thousand veterans of the Argonne Forest recently entered New York harbor. Among them were several badly wounded Marines. One man, easily distinguished because of a coat sleeve that dangled empty at his side and a Croix de Guerre, was making his way slowly to the waiting ambulance when a Salvation Army girl approached him and offered doughnuts and coffee. "Now I know I am home," he said. "These doughnuts helped a whole lot 'over there' and, first crack out of the box when we land, we find more waiting for us. The best thing about the Salvation Army work out near the front line was the smile that accompanied the gift. Those girls had a knack of wrapping up every doughnut and every cup of coffee in a smile. The doughnuts were fine, but the smile—that took the place of powdered sugar." The Salvation Army Home Service Fund Campaign for \$13,000,000 opens May 19, to last one week.

SALVATION ARMY NEEDS

Annual Budget Shows Reasons
for \$13,000,000 Drive.

Vast Activities Conducted by 1,000
Corps in United States—
Future Plans.

New York.—(Special)—The annual budget of the Salvation Army, containing a detailed and comprehensive statement of the cost of maintaining its varied activities throughout the United States, has been issued from National Headquarters, 122 West Fourteenth street. The statistics show why it is necessary for the Salvation Army to go before the American people in the week of May 19 to 26 and ask them to contribute \$13,000,000 to its Home Service Fund.

There are 939 corps and outposts of the Salvation Army in the United States. The cost of maintaining these is \$2,685,000. The maximum income which these corps may expect from collections in meetings, contributions of members and other outside contributions is \$715,000, making the net total cost of supporting the corps \$1,970,000.

The cost of maintaining divisional and provincial headquarters, which supervise the work of the local corps, will be, according to the budget, \$530,000.

Besides the work of supervising the local headquarters, the provincial and divisional headquarters are in charge of several of the Salvation Army's largest activities, including the operation of fresh air camps for children, rest and employment bureaus and the provincial bands.

Under the heading of "national and territorial obligations" the Salvation Army includes the expenses of maintaining what are among its best known institutions, those which may be grouped under the general name of "social work." For this purpose the Army wants \$1,270,000.

The pension fund budget is \$400,000. The Salvation Army has determined on the erection of many new buildings for social work in the future. The building program will require expenditures of \$1,875,000.

The remainder of the amount sought for the Home Service Fund is for corps, divisional and provincial buildings and a small contingent fund.

Details of the Salvation Army's activities in the United States for the last year show how remarkable is the scope of the Army's endeavors and what vast numbers of people it serves. For instance, the Army maintains seventy-five hotels for men and women. Last year 1,656,728 persons found sleeping accommodations in these. Boys were supplied for 127,889 children in the Army's four children's homes in the same period, while 48,519 children were sheltered in the slum nurseries. In the industrial homes boys were supplied for 1,742,815. In the rescue homes and maternity hospitals 1,850 girls went under the care of the Army last year.

The Army has 2,018 officers and cadets in the United States. Last year they preached to over 24,000,000 persons.

EVANGELINE BOOTH TELLS HOME SERVICE FUND'S NEEDS.

Evangeline Booth, commander of the Salvation Army in the United States, explaining the purpose of the campaign for \$13,000,000 which will be conducted from May 19 to May 26 for the Salvation Army Home Service Fund, said:

"The Salvation Army has been following the upward trend for more than half a century, doing just what it did in France, all in the same spirit and manner, but you did not happen to hear of it, perhaps."

"The war depleted our forces and our finances at home. There must be not only a rehabilitation now, but we must rise to the new high tide mark and equip ourselves to maintain here in the United States the contracts we were privileged to make on both sides of the sea because of the war."

The Salvation Army Home Service Fund campaign for \$13,000,000 will be conducted during the week of May 19-26. Its success will enable the Salvation Army to practically double its efforts among the poor.

The Salvation Army returns from the trenches of France to take up its half century old battle in the trenches of poverty in the United States. Remember the Salvation Army Home Service Fund campaign for \$13,000,000 May 19-26.

★ the week of May 19-26. ★
★ *****

The Salvation Army's slogan is "A man may be down, but he's never out!" The "Army" will ask for \$13,000,000 during the week of May 19-26. Your contribution will help prove the truth of the slogan.

The success of the Salvation Army Home Service Fund campaign for \$13,000,000—May 19-26—means less poverty and less crime in the United States.

White Shoe Time Is Coming Soon

Of course some of you have already provided yourself with your white footwear—but you should see these white canvas shoes and oxfords we've just unpacked!

Cool as the proverbial cucumber, made just a bit snappier than you usually find canvas shoes, a heel style that will meet your demands, and, best of all, they're underpriced in the usual Brown's Boot Shop way.

Refreshing flavor and fragrance and unusual mellow-mildness make Camel Cigarettes instantly and permanently likable!

Camels are sold everywhere in scientifically sealed packages of 20 cigarettes, or ten packages of 100 cigarettes in a glassine-paper-covered carton. We strongly recommend this carton for the home or office supply or when you travel.

18 cents a package

CAMELS are a cigarette revelation! They are a smoke delight! They answer the cigarette question as it has never before been answered. Your taste will prove that!

Camels are an expert blend of choice Turkish and choice Domestic tobaccos which you will greatly prefer to other kind of tobacco smoked straight. Your test proves that!

This expert blend brings out Camels' wonderful cigarette qualities. It eliminates any unpleasant cigarette aftertaste or any unpleasant cigarette odor! It also makes possible Camels' enticing mildness while retaining the full "body" of the tobaccos.

No matter how much you like Camels and how liberally you smoke them, they will not tire your taste!

For your own satisfaction compare Camels with any cigarette in the world at any price!
